(Attn: Ms Maisie Lam)

Dear Ms Lam,

**Meeting of Panel on Health Services on 17 July 2017 -
Hong Kong Strategy and Action Plan on Antimicrobial Resistance**

The Panel on Health Services (“the Panel”) discussed the subject at its meeting on 17 July 2017. The Administration/Hospital Authority (“HA”) was requested to provide a copy of the latest edition of the reference on antibiotic use for medical practitioners (i.e. Inter-hospital Multi-disciplinary Programme on Antimicrobial Chemotherapy, “IMPACT”) developed by the Centre for Health Protection, HA and some local universities.

The new IMPACT Guideline (5th Edition) is scheduled to be published in mid-November 2017. It will be dispatched to the Members via the Legislative Council Secretariat once available. Meanwhile, the current IMPACT Guideline (4th Edition) can be accessed at the following link –
