

**教育事務委員會**  
**Panel on Education**

**議案措辭**

本委員會促請政府當局盡快全面檢討教育理念及制度，審視不同學習階段(尤其是幼稚園和小學階段)的教育目標，研究將培養學童的學習興趣(包括但不限於學習中文和英文的興趣)、求知欲、情緒管理和適應能力等納入幼小階段的主要教育目標，並就如何評估上述目標展開研究。

(田北辰議員動議)

**Wording of the Motion**

(Translation)

This Panel urges the Administration to expeditiously review in a comprehensive manner its education philosophies and system; examine the education goals at different learning stages, in particular kindergarten and primary schooling stages; study the incorporation of nurturing students' learning interests (including but not limited to their interests in learning Chinese and English), learning desire, emotion management, adaptability, etc. into the major education goals of the kindergarten and primary schooling stages; and commence a study on how to evaluate the aforesaid goals.
