

教育事務委員會
Panel on Education

議案措辭

本委員會促請政府在規劃五十億開支的分佈時，必須考慮基層大學生的支援，檢視現行各個專上學生貸款計劃，包括：(一)放寬專上學生貸款計劃的入息審查限額並取消資產審查；(二)改善還款政策，讓還款與收入掛勾，以畢業生入息作為基數計算還款額；(三)檢討免入息審查貸款計劃，將免入息審查貸款計劃的利息"由貸款發放當日起計算"之規定改至與需審查之貸款計劃一樣，以減少學生的負債壓力。

(邵家臻議員動議)

Wording of the Motion

(Translation)

This Panel urges the Government, in planning the distribution of the \$5 billion expenditure, to consider the provision of support for grass-roots university students by reviewing the existing various loan schemes for post-secondary students, including: (1) relaxing the income limits of the income tests and abolishing the asset tests under the loan schemes for post-secondary students; (2) improving the repayment policy by pegging loan repayment to the graduate's income which should be used as the base in calculating the repayment amount; (3) reviewing various non-means-tested loan schemes and, in respect of the interests chargeable under the non-means-tested loan schemes, bringing the requirement that "interest is accrued upon loan drawdown" in line with that of means-tested loan schemes, so as to alleviate the debt burden on students.

(Moved by Hon SHIU Ka-chun)
