

教育事務委員會
Panel on Education

在2018年3月2日的會議上
就議程項目"關愛基金援助項目——資助清貧中小學生購買流動電腦裝置
以實踐電子學習"通過的議案
Motion passed under the agenda item
"Community Care Fund Assistance Programme – Provision of subsidy to
needy primary and secondary students for purchasing mobile computer devices to
facilitate the practice of e-learning"
at the meeting on 2 March 2018

議案措辭

由於政府將於今年8月取消上網學習支援計劃，基層兒童得到的支援將受影響。對於部分的基層學生而言，該項計劃是他們電子學習上的重要資助，以及在需要電腦維修時亦能獲得足夠技術支援。故此，本委員會要求局方保留及優化上網學習支援計劃、上門電腦維修服務，以回應社會的數碼隔閡問題。

(邵家臻議員動議)

Wording of the Motion

(Translation)

As the Government will abolish the Internet Learning Support Programme ("ILSP") in August this year, the support available to grass-roots children will be affected. To some of the grass-roots students, the Programme provides them an important subsidy for undertaking e-learning as well as adequate technical support when their computers need repairing. Hence, this Panel urges the Bureau to retain and refine ILSP and on-site computer repair services so as to address digital divide in our community.
