Panel on Housing

Motion passed under agenda item VI

"Receiving public views on rent adjustment mechanism for rental units and rent relief measures of the Hong Kong Housing Society" at the meeting on 6 November 2017

This Panel requests that the Hong Kong Housing Society ("HKHS") must, in a transparent and open manner, inform its tenants of the factors it has taken into account in determining the rate of rent adjustment for its rental estates, while the affordability of tenants must be taken into consideration. This Panel also requests HKHS to put in place rent relief measures to provide direct assistance to tenants with financial difficulties, with a view to alleviating the hardship of tenants.
