**Panel on Transport**

**Motion on "Progress of implementation of measures  
under Public Transport Strategy Study"  
passed at the meeting on 18 May 2018**

This Panel urges the Government to review and study inner harbour ferry routes and the construction of piers, exploring the provision of piers and ferry feeder routes in the West Kowloon Cultural District, Hung Hom, the Kai Tak Development Area, etc., so as to help alleviate the pressure of road traffic congestion and provide members of the public and visitors with transport alternatives.
