Dear Christopher,

**Bills Committee on Companies (Amendment) Bill 2018**

Thank you for your invitation to represent HKICPA's views at the Bills Committee meeting on 19 June. A representative of HKICPA will attend the meeting.

We are in the process of reading the Bill in full. At this stage, HKICPA is pleased to see that its major recommendations on group reporting exemptions and Schedule 1 have been incorporated in the proposed Bill. We will provide further comments, if any, before the meeting or through our representative at the meeting.

Sincerely,
