- ◇ Kindergarten students who pass the means test and meet the eligibility criteria under the KCFRS are eligible for an additional grant to defray school-related expenses incurred from the students' kindergarten education starting from the 2017/18 school year.
- △ The CEF is open to applications throughout the year. The figures shown here relate to financial rather than academic years.
- θ Number of applications includes applications of primary and secondary school students as well as post-secondary students.
- @ Financial assistance for DYJ is disbursed on a reimbursement basis. The number of applications received and funds disbursed for students of the 2016/17 academic year are provisional figures only as reimbursement applications are still being processed.
- φ Financial assistance for FAEAEC is disbursed on a reimbursement basis. The number of applications received and funds disbursed for students of the 2016/17 academic year are provisional figures only as reimbursement applications are still being processed.
- γ Holders of the Certificate of Eligibility for PEVS need not re-apply for PEVS within the specific validity period. The indicators above include the number of Certificates of Eligibility for PEVS issued and voucher value involved for first-time applicants. The voucher value involved for the 2016/17 academic year reflects the actual amount of subsidy redeemed, which is less than the maximum amount redeemable for the year because not all Certificates issued in the year were presented for voucher redemption. The KG Scheme has replaced PEVS with effect from the 2017/18 school year. Only kindergartens joining PEVS in/before the 2016/17 school year but not applying to join the KG Scheme or not approved to join the KG Scheme will stay under PEVS.

6 In the 2016/17 academic year, around 825 000 applications were received for processing under the various student financial assistance schemes. The Agency was generally able to process all applications with complete information within the time frame as pledged.

Matters Requiring Special Attention in 2018–19

7 During 2018–19, the Agency will:

- continue to process applications for means-tested fee remission under KCFRS and to provide an additional grant for children of needy families to defray school-related expenses incurred from the students' kindergarten education;
- continue to provide efficient and quality services to students under various student financial assistance schemes;
- continue the concerted efforts to recover student loans in arrears;
- prepare enhancement measures of the CEF, including raising the subsidy ceiling, relaxing the upper age limit for applicants, expanding scope of courses, lifting the restrictions on validity period and maximum number of reimbursement claims, enhancing the quality assurance and safeguards, etc., with a proposed additional injection into the CEF;
- continue to develop the Integrated Student Financial Assistance System to support the administration of all student financial assistance schemes as well as scholarships and merit award schemes, with a view to improving the operational efficiency and effectiveness of the Agency in the administration and delivery of these schemes; and
- provide a one-off support grant for needy students who are eligible for receiving means-tested student financial assistance in the 2018/19 school year.

β Applications under the Low-income Working Family Allowance (LIFA) Scheme were received starting from May 2016 onwards. The Scheme is to be renamed as the Working Family Allowance (WFA) Scheme with effect from 1 April 2018.

Aim

8 The aim is to administer efficiently and cost-effectively the LIFA Scheme (to be renamed as the WFA Scheme with effect from 1 April 2018), which seeks to encourage self-reliance and ease inter-generational poverty.

Head 173 — WORKING FAMILY AND STUDENT FINANCIAL ASSISTANCE AGENCY

Brief Description

9 The Agency implemented the LIFA Scheme (to be renamed as the WFA Scheme with effect from 1 April 2018) in May 2016 to provide a means-tested allowance to eligible low-income working families, in particular those with children and youth.

Matters Requiring Special Attention in 2018–19

10 Following a comprehensive policy review on the Scheme, a series of enhancements will be implemented with effect from 1 April 2018 which are anticipated to increase the number of applications and the amount of WFA payments.

11 The Agency will provide a one-off extra payment for eligible LIFA/WFA households.

Analysis of Financial and Staffing Provision

Programme (1)

Provision for 2018–19 is \$724.5 million (16.5%) higher than the revised estimate for 2017–18. This is mainly due to the additional cash flow requirement for the non-recurrent one-off support grant for needy students who are eligible for receiving means-tested student financial assistance in the 2018/19 school year. There will be a decrease of two posts in 2018–19.

Programme (2)

Provision for 2018–19 is \$1,852.5 million (195.1%) higher than the revised estimate for 2017–18. This is mainly due to the increased provision for disbursement under the WFA Scheme arising from the enhancements to the Scheme with effect from 1 April 2018 and the provision of one-off extra payment to eligible LIFA/WFA households.
