stakeholders, subject to which will DEVB be in a position to consider launching a public consultation. The full package of necessary legislative amendments would only be available after considering the views of the public.

In view of the complexity of the issues involved and that consensus amongst stakeholders is yet to be reached, it would be difficult for DEVB to commit to a definite timeframe for report to members on the package of necessary legislative amendments at this stage; but DEVB and the Panel Clerk will keep in touch with each other should there be any update to such timeframe.
