At the Panel meetings on 18 October 2016 and 12 October 2017, Dr Hon Helena WONG, Hon LAU Kwok-fan and Hon CHAN Han-pan urged that the Administration should discuss the item with the Panel as soon as possible. According to the existing mechanism, topical reviews of specific standards and guidelines in the HKPSG are conducted by individual B/Ds as and when necessary, taking into account the concerned B/Ds' latest relevant policies and development requirements. Opportunities would also be taken upon such topical reviews to assess the need to review relevant or related standards and guidelines, as well as the planning practices for their implementation. The Administration does not consider it necessary or practicable to conduct a review of the whole HKPSG. If revision of existing standards and guidelines or formulation of new standards and guidelines is considered necessary, it could be taken forward at the request of relevant B/Ds in accordance with the established mechanism. According to the Administration, if Panel members have any question about specific areas of the planning standards and guidelines, the Development
