Dear Sir,

Recently it comes to our attention that hot debates regarding the shortfall in land supply that may result in the shutdown of one of the historic gold courses at Hong Kong Golf Club. I am writing to offer Children Chiropractic Foundation Limited's full support for the retention of the land in Fanling for the operation of the Hong Kong Golf Club.

Hong Kong Golf Club is an outstanding and exceptional Club. The Club actively contributes to the community and charities which is a steward of the environment, has great historical significance, is committed to youth and the underprivileged and is respected around the world. Thanks to the generous support from the Hong Kong Golf Club, we have been successfully holding our "Straighten up Kids Charity Golf Tournament" since 2016. Hong Kong Golf Club's generosity and supports in charity helped our foundation to raise impressive donations.

Moreover, Hong Kong Golf Club is one of the very few Platinum Clubs that allows public access, which promotes and grows that game not only for Club members but also for Hong Kong residents and importantly, Juniors. The Club has been committed to the growth of the game for many years and orchestrates several programs that have resulted in an emerging number of accomplished players from Hong Kong.

We strongly urge for your serious considerations to allow great institution to continue in years ahead.
