Panel on Health Services,
Legislative Council,
The Government of Hong Kong SAR
(Attention: Chairman and Clerk to the Panel on Health Services)

Dear Sir/Madam,

Proposed Regulatory Framework for Medical Devices

On behalf of the Hong Kong College of Physicians, I am writing in support to the Government's latest legislative proposal on the regulatory framework for medical devices. Our College is of the opinion that statutory regulation is necessary to ensure the safety, performance and quality of medical devices supplied in Hong Kong. In addition, the transitional listing system proposed is agreed by our College.

We hereby also give consent to the Legislative Council Secretariat for publishing this submission.

Thank you for your attention.

Yours sincerely,

Prof. Philip Kam-tao Li
President
Hong Kong College of Physicians
