Panel on Transport
Legislative Council Secretariat
Legislative Council Complex
1 Legislative Council Road
Central, Hong Kong
(Attn: Mr Lemuel Woo)

13 June 2018

Dear Mr Lemuel Woo,

**Legislative Council Panel on Transport
Meeting on 23 February 2018
Biennial review on Private Driving Instructors' Licences**

At the meeting of the Panel on Transport of the Legislative Council on 23 February 2018, Members requested the Government to provide information on whether it would conduct a comprehensive review on the Private Driving Instructor's (PDI)'s licensing regime, as well as the driver training policy (including improvement in the teaching quality of PDIs).

As mentioned in the discussion paper for this Panel item (CB(4)613/17-18(06)) and agreed by the Government at the Panel meeting, the Transport Department will conduct a comprehensive review on issues relating to PDI licences. The review will take about a year to complete, such that any recommendation for changes to the existing PDI

licensing regime, with the broad support of the PDI trade, can be taken on board under the future biennial reviews including the next one due for end 2018.

Yours sincerely,
