### **Loopholes of the Comprehensive Social Security Assistance Scheme according to Hon SHIU Ka-chun**

- (1) the standard payment rates of the Comprehensive Social Security Assistance ("CSSA") Scheme are insufficient to meet basic needs;
- (2) the CSSA mechanism lacks transparency and the participation of society;
- (3) the medical assessment mechanism fails to identify persons who have difficulties taking up employment;
- (4) the rent allowance is inadequate to cover rental of private housing;
- (5) CSSA recipients are stigmatized;
- (6) elderly persons are required to apply for CSSA on a household basis;
- (7) the asset threshold for elderly CSSA is too high;
- (8) the raising of the eligible age for elderly CSSA;
- (9) family members cannot afford to support elderly CSSA recipients to acquire residential care services with better quality;
- (10) persons with disabilities are required to apply for CSSA on a household basis;
- (11) the asset threshold for persons with disabilities under the CSSA Scheme is too high;
- (12) the rent allowance is insufficient for persons with disabilities to rent suitable housing;
- (13) the grant to cover costs of medical, rehabilitation, surgical appliances and hygienic items is insufficient to cover the costs of newer appliances and items;
- (14) the special diet allowance is insufficient to cater for the needs of different groups;
- (15) able-bodied CSSA recipients are not eligible for:
  - (i) basic housing and related grant such as grant for rent deposit and domestic removal grant;
  - (ii) basic medical and rehabilitation grants;
  - (iii) grant to cover monthly telephone charges; and

- (iv) long-term supplement;
- (16) employment support services provided for CSSA recipients lack continuity;
- (17) the amounts of disregarded earnings ("DE") have not been adjusted for many years;
- (18) arrangements for DE fail to encourage children to provide financial support for their parents;
- (19) CSSA recipients are required to be on CSSA for not less than two months before they are eligible for DE benefits;
- (20) young persons who work for the first time have not been taken into account under the arrangement of disregarding the first month's total income earned from a new job by a CSSA recipient aged 15 or above; and
- (21) children from CSSA households do not have the opportunity to participate in extra curriculum activities.
