LEGISLATIVE COUNCIL BRIEF

Public Bus Services Ordinance
(Chapter 230)

PUBLIC BUS FRANCHISEES' SCHEDULE OF ROUTES ORDERS

INTRODUCTION

At the meeting of the Executive Council on 8 May 2018, the Council **ADVISED** and the Chief Executive **ORDERED** that the Schedule of Routes Orders ("the Orders")[1] should be made under section 5(1) of the Public Bus Services Ordinance (Cap. 230) ("the Ordinance") for The Kowloon Motor Bus Company (1933) Limited ("KMB"), Citybus Limited ("Citybus"), New World First Bus Services Limited ("NWFB"), Long Win Bus Company Limited ("LW") and New Lantao Bus Company (1973) Limited ("NLB") to formalise their service changes introduced between 1 August 2016 and 31 December 2017.

JUSTIFICATIONS

2. Service changes are made by the franchised bus companies from time to time as required by the Commissioner for Transport ("the Commissioner") to better serve the travelling public and to improve the efficiency of bus operation. According to section 15 of the Ordinance, such changes are temporary and can only last for 24 months at most unless new Orders reflecting these changes are made under section 5(1) of the Ordinance.

[1] The Orders are available for Members' inspection at the Legislative Council Secretariat.

Therefore there is a need to make new Orders under section 5(1) to formalise changes made pursuant to section 15 of the Ordinance from time to time to enable the latter's continuation. For this round, new Orders are needed for changes made between 1 August 2016 and 31 December 2017.

The Orders

3. Service changes have to be made to bus routes from time to time for the following key reasons –

(a) to meet changing passenger demand;

(b) to tie in with the changes in population in the districts, such as growth in population associated with new residential developments;

(c) to tie in with traffic arrangements in connection with various works projects;

(d) to improve the co-ordination among various public transport services and minimise wasteful duplication; and

(e) to improve the efficiency of franchised bus operation.

In making service changes, the Commissioner has had regard to Government's policy objectives of using railways as the backbone of Hong Kong's public transport system; using franchised bus services to serve areas without direct railway access as well as provide feeder service connecting the railway network and inter-district service; and rationalising bus services where appropriate to enhance network efficiency, improve service quality, ease traffic congestion, alleviate the pressure for fare increases and reduce roadside air pollution, whilst ensuring that passenger demand would be appropriately met.

4. From 1 August 2016 to 31 December 2017, the following service changes were made by the five franchised bus companies at the request of the Commissioner under section 15 of the Ordinance –

(a) KMB introduced 24 new routes, cancelled two routes and made alterations to 105 routes;

(b) Citybus (which operates two bus franchises) introduced two new routes and made alterations to 18 routes under the franchise for Hong Kong Island and the cross-harbour bus network. It introduced two new routes and made alterations to eight routes under the franchise for Airport and North Lantau bus network;

(c) NWFB introduced eight new routes, cancelled two routes and made alterations to 17 routes;

(d) LW introduced seven new routes, cancelled one route and made alterations to nine routes; and

(e) NLB made alterations to one route.

A to E

These service changes would need to be reflected in the Orders so that the changes can continue to be effective on expiry of the 24-month validity period. Details of the changes for each of the five franchised bus companies concerned are set out at **Annexes A to E** respectively.

LEGISLATIVE TIMETABLE

5. The legislative timetable is as follows –

Publication in the Gazette	18 May 2018
Tabling at the Legislative Council ("LegCo") for negative vetting	23 May 2018
Commencement of the Orders	31 July 2018

IMPLICATIONS OF THE NEW ORDERS

6. The making of the new Orders is in conformity with the Basic Law, including the provisions concerning human rights. The Orders will not affect the current binding effect of the Ordinance, and they have no civil service, family, financial, gender or productivity implications. On economic and sustainability implications, the making of new Orders will help enhance operational efficiency of the bus network, improve service quality and ease traffic congestion. Formalising these changes will also help reduce roadside air pollution and thus bring environmental benefits to the community. This should also make franchised bus operation more sustainable.

PUBLIC CONSULTATION

7. The District Council ("DCs") concerned were consulted on the major service changes before such changes were introduced under section 15(1) of the Ordinance. Some DC members commented on and raised objections to some of the changes and suggested further adjustments to those changes (including keeping under-utilised bus routes intact) and improvements to bus service in general. The suggestions had been taken on board where justified. Explanations were given to DCs on why some suggestions could not be taken on board.

PUBLICITY

8. A spokesperson will be available to answer media enquiries.

BACKGROUND

9. Under section 5(1) of the Ordinance, the Chief Executive in Council may grant to any company[2] the right to operate a public bus service on such

[2] "Company" refers to any company registered under the Companies Ordinance (Cap. 622), or under the Companies Ordinance (Cap. 32) as in force from time to time before the commencement date of section 2 of Schedule 9 to the Companies Ordinance (Cap. 622).

routes as he specifies by order. The routes so specified form the franchised bus network of a bus franchise.

10. A franchised bus network needs to be adjusted from time to time to meet the changing transport needs of the community. Route changes would first be implemented temporarily under section 15 of the Ordinance. According to this section, the Commissioner may, after consultation with the bus companies, require them to introduce new routes or alter existing routes on a temporary basis where appropriate. Such route changes can take effect for a period of up to 24 months only. For the route changes to remain in operation after the 24-month period, the routes changes concerned have to be reflected in an Order made by the Chief Executive in Council under section 5(1) of the Ordinance before the expiry of that period.

11. The existing Orders formed in respect of bus services provided by the five franchised bus companies were approved by the Chief Executive in Council in January 2017, formalising changes to bus routes up to 31 July 2016.

ENQUIRIES

12. Any enquiry on this brief can be directed to Mr Peter WONG, Assistant Commissioner for Transport (Urban) of the Transport Department, at 2829 5212.
