Chairman of
House Committee

Dear Chairman,

Re: Withdrawal of request to form a Sub-Committee

I am writing to withdraw my request to form a sub-committee to study the five amendment legislations (L.N. No 148-152) under EAC Ordinance tabled last Friday at the House Committee Meeting. After further study on the Ordinance, I believe the formation of the sub-committee would be unnecessary and I have no tendency to enroll in it.

Please accept my sincere apologies and the above request . Thank you.

Sincerely,

Hon. Charles Mok, JP
Legislative Councillor (I.T.)
