Panel on Information Technology and Broadcasting

Motion passed under agenda item IV

**"Proposed Creation of one Permanent post of Administrative Officer Staff
Grade B in Radio Television Hong Kong"
at the meeting on 11 March 2019**

Given that the Radio Television Hong Kong ("RTHK") spends more than HK\$1 billion a year, this Panel urges the Government to undertake that, following the creation of a permanent post of Administrative Officer Staff Grade B in RTHK, designated as Deputy Director of Broadcasting, it has to adopt effective measures to enhance the cost-effectiveness of the operation of RTHK, including reviewing whether it is worth maintaining the education television service, and ensuring that RTHK would make the best use of the most up-to-date information technologies to widen the coverage and broadcasting of local sports activities, so as to strengthen support to the local sports development.
