Panel on Transport

**Motion on "Latest situation on increasing
the provision of car parking spaces"
passed at the meeting on 17 May 2019**

This Panel urges the Government to study the provision of park-and-ride facilities at major interchanges in the New Territories West to facilitate members of the public residing in remote areas to drive and park at those interchanges and then switch to public transport for travelling to the urban areas, so as to alleviate the traffic congestion problem in the urban areas, which is in line with the "park-and-ride" policy intent of the Government.
