**List of follow-up actions arising from the discussion
at the meeting on 7 May 2019**

The Administration is requested to provide information on:

- (a) the specific measures to be implemented to strengthen support for Community Recycling Centres ("CRCs") currently operated by non-governmental organizations ("NGOs"), with a view to expanding the scale and upgrading the service quality of these CRCs;
- (b) the detailed plan for the regularization of funding support for CRCs; and
- (c) whether and how the Administration will ensure that the NGOs that have been operating CRCs would be given priority to maintain the CRCs' operations and would not be crowded out by more resource-rich private operators after the said regularization efforts.
