Clerk to Bills Committee
Legislative Council Secretariat

(Attn: Mr. Raymond Chow)

Dear Mr. Chow,

Legislative Council
Bills Committee on Inland Revenue (Amendment) (No. 7) Bill 2018

Meeting on 17 December 2018 to receive public views on
“Inland Revenue (Amendment) (No. 7) Bill 2018”

We refer to the Legislative Council Bills Committee on Inland Revenue (Amendment) (No. 7) Bill 2018. We fully support the Bill as it seeks, among others, to amend to *Inland Revenue Ordinance* to avoid potential double non-taxation of income of visiting teachers and researchers. This amendment will certainly facilitate more collaboration on teaching and research between our University and mainland universities and industrial partners, which contributes to the innovation and technologic advancements of Hong Kong.

Yours sincerely,

Susan P.K. Ang (Ms.)
Director of General Administration
