#### *Aim*

2 The aims are to prevent and detect the smuggling of contraband, including narcotics, firearms, strategic goods, dutiable commodities, articles which infringe copyright or trade descriptions, and any other articles the importation or exportation of which is prohibited by law, through actions at control points and regular land and maritime patrols within the territory of Hong Kong; as well as to run a regulatory regime for the Money Service Operators (MSOs) under the Anti-Money Laundering and Counter-Terrorist Financing (Financial Institutions) Ordinance (Cap. 615) (AMLO).

## Head 31 — CUSTOMS AND EXCISE DEPARTMENT

### *Brief Description*

3 The Department is the primary agency responsible for the suppression of smuggling activities and is an integral member of the Joint Police/Customs Anti-smuggling Task Force formed to combat smuggling activities at sea. The Department also acts as the front-line agency to prevent importation and exportation of any articles which are prohibited by law concerning security, public health and environmental protection or in fulfilling international obligations; as well as to perform the regulatory functions of MSOs under the AMLO. The enforcement work includes:

- monitoring both the import and export of goods and the licensing of the movement of prohibited and prescribed articles as stipulated in the Import and Export Ordinance (Cap. 60);
- conducting primary checks on passengers, crew, cargoes, postal parcels, aircraft, vessels and vehicles, and secondary examination of those considered high risk, in order to detect contraband (including those for terrorist activities), controlled items and other violations of the law;
- conducting regular maritime and land patrols within Hong Kong to detect and suppress violations of customs law and other illegal activities;
- providing sustained intelligence support to anti-smuggling enforcement actions through the work of the Intelligence Bureau;
- inspecting and verifying licences and manifests in order to control the import and export of prohibited articles and the carriage of prescribed articles;
- processing declarations on large quantities of physical currency and bearer negotiable instruments and detecting non-compliance with the relevant declaration and disclosure requirements, in accordance with the Cross-boundary Movement of Physical Currency and Bearer Negotiable Instruments Ordinance (Cap. 629); and
- licensing and supervising MSOs under the AMLO and taking enforcement action against unlicensed MSOs.

### ***Matters Requiring Special Attention in 2019–20***

5 During 2019–20, the Department will:

- provide customs clearance services at Heung Yuen Wai Boundary Control Point;
- continue to operate the Trade Single Window (TSW) Operation Office to deliver the service under TSW Phase 1 which provides an electronic platform for submission of the relevant types of business-to-government trade documents covered by Phase 1;
- continue to take proactive action against smuggling activities through intelligence-based operations and closer co-operation with the authorities of the Mainland and other places;
- continue to improve clearance services to facilitate efficient passenger and cargo flows across the boundary;
- continue to closely monitor the operation of the electronic Road Cargo System to ensure efficient and effective clearance of cross-boundary goods vehicles;
- continue to ensure smooth operation of the Inter-modal Transshipment Facilitation Scheme, whereby cargoes involving inter-modal transfer (e.g. from land to air and sea) will only be subject to customs inspection at either the point of exit or entry in Hong Kong;
- work with the Mainland authorities to ensure smooth operation of the Single E-lock Scheme and explore setting up more clearance points in the Mainland to enhance customs clearance efficiency for cargoes involving inter-modal transfer by reducing repeated inspections by customs authorities of both Hong Kong and Guangdong without compromising customs control;
- continue to promote the Free Trade Agreement Transshipment Facilitation Scheme to enable traders to enjoy tariff reductions for trade in goods between the Mainland and trading partners concerned when transhipped through Hong Kong;
- continue to promote and develop the Hong Kong Authorized Economic Operator Programme, whereby accredited companies may enjoy facilitation such as reduced inspection and prioritised clearance; and
- continue to maintain effective supervision of licensed MSOs to ensure compliance with the customer due diligence and record-keeping obligations.

### ***Aim***

6 The aims are to suppress illicit trafficking in and abuse of dangerous drugs, to combat money laundering and to prevent diversion of controlled chemicals for the illicit manufacture of dangerous drugs.

### ***Brief Description***

7 The Department is responsible for investigating and detecting the illegal import, export, manufacture, distribution and abuse of dangerous drugs. It conducts financial investigations to trace the assets of drug traffickers and initiates confiscation proceedings in respect of drug-related assets. It also exercises licensing control on the import, export and transshipment of controlled chemicals and conducts investigations to prevent and detect their illicit diversion.

## Head 31 — CUSTOMS AND EXCISE DEPARTMENT

8 The Department co-operates with other Customs administrations and law enforcement agencies outside Hong Kong to combat international drug trafficking and money laundering, and to prevent illicit diversion of controlled chemicals. This work includes:

- surveillance, investigations and operations to combat organised drug syndicates and individual drug offenders;
- identification and confiscation of drug-related assets derived from offences committed in or outside Hong Kong;
- liaison and co-operation with drug enforcement agencies and other competent authorities in or outside Hong Kong in the suppression of international drug trafficking and illicit diversion of controlled chemicals; and
- collection, collation and exchange of intelligence with law enforcement agencies in or outside Hong Kong.

### *Matters Requiring Special Attention in 2019–20*

**10** During 2019–20, the Department will continue to:

- strengthen the co-operation and intelligence exchange on drug trafficking, money laundering and smuggling of controlled chemicals with the Mainland and overseas law enforcement agencies;
- step up enforcement actions against drug trafficking via airport and land boundary control points through closer co-operation with the Mainland authorities and overseas counterparts; and
- liaise with relevant policy bureaux and government departments to monitor any new threat posed by drugs of abuse and precursor chemicals in other regions, and constantly review the corresponding enforcement strategies.

				(or +13.2% on 2018–19 Original)

### *Aim*

**11** The aims are to prevent and detect copyright and trade mark infringement; to collaborate with trade mark and copyright owners, relevant organisations and law enforcement agencies in or outside Hong Kong in order to combat trade mark counterfeiting and copyright piracy; and to enforce consumer protection legislation relating to weights and measures, toys and children's products safety, consumer goods safety, trade descriptions and trade practices.

### *Brief Description*

**12** The Department is responsible for suppressing offences and investigating complaints related to copyright infringement under the Copyright Ordinance (Cap. 528) and the Prevention of Copyright Piracy Ordinance (Cap. 544), forgery of trade marks, false trade descriptions and unfair trade practices under the Trade Descriptions Ordinance (Cap. 362), short weights and measures under the Weights and Measures Ordinance (Cap. 68), unsafe toys and children's products under the Toys and Children's Products Safety Ordinance (Cap. 424) as well as unsafe consumer goods under the Consumer Goods Safety Ordinance (Cap. 456). It initiates investigations in these areas and collaborates as necessary with organisations and law enforcement agencies in or outside Hong Kong, and with trade mark and copyright owners. To safeguard the interests of consumers, the Department also conducts spot checks to ensure compliance with the Toys and Children's Products Safety Ordinance, the Weights and Measures Ordinance, the Consumer Goods Safety Ordinance and the Trade Descriptions Ordinance. The enforcement work involves:

#### *Intellectual property rights*

- conducting investigations and taking enforcement actions against persons and syndicates suspected of committing offences relating to infringement of intellectual property rights;
- executing court orders to detain goods at importation for the purpose of enforcing boundary measures to comply with the Agreement on Trade-Related Aspects of Intellectual Property Rights established under the auspices of the World Trade Organization;
- arranging and supervising the examination and identification of seizures by trade mark and copyright owners or their representatives;
- conducting inspections on licensed optical disc mastering and replication factories to guard against manufacture of pirated optical discs and stampers;

## Head 31 — CUSTOMS AND EXCISE DEPARTMENT

- controlling the import and export of optical discs mastering and replication equipment; and
- applying to the court for the confiscation of financial proceeds obtained from intellectual property rights infringement crimes.

### *Consumer protection*

- conducting spot checks on the accuracy of weighing and measuring equipment, compliance with the safety requirements for toys and children's products and consumer goods, compliance with the orders for provision of information on precious stones, metals and regulated electronic products, and compliance with the requirements on trade descriptions and trade practices; and
- investigating complaints relating to short weights and measures, unsafe toys and children's products and consumer goods, false trade descriptions and unfair trade practices.

### ***Matters Requiring Special Attention in 2019–20***

**14** During 2019–20, the Department will continue to:

- strengthen the co-operative alliance with the industries and enforcement agencies in detecting online sale of infringing goods;
- apply the Organised and Serious Crimes Ordinance (Cap. 455) to the investigation of intellectual property crimes;
- upgrade the capability in the investigation of Internet and electronic crimes relating to infringement of intellectual property rights;
- promote public and traders' awareness of intellectual property rights and consumer protection legislation through publicity and education programmes; and
- strengthen enforcement actions against false trade descriptions and unfair trade practices in respect of both goods and services.

### *Aim*

21 The aims are to secure and maintain the integrity and credibility of the various trade controls and import and export control systems operated in Hong Kong in fulfilment of international obligations and for public health and safety reasons; as well as to collect import and export declarations and declaration charges under the Import and Export (Registration) Regulations (Cap. 60E) and clothing levies under the Industrial Training (Clothing Industry) Ordinance (Cap. 318).

### *Brief Description*

22 The Department enforces the relevant laws for various trade controls systems including those concerning the issue of Certificates of Origin, the import and export of strategic commodities, reserved commodities and other prohibited goods, as well as compliance with the Chemical Weapons Convention, with a view to preventing and detecting abuses of these systems. The Department is also tasked to collect import and export declarations, declaration charges and clothing levies and to enforce the relevant statutory control on these systems. The enforcement work involves:

- factory and consignment inspections to ensure compliance with legislation governing the issue of Certificates of Origin and import and export of other prohibited goods;
- costing checks on goods covered by Certificates of Hong Kong Origin – Closer Economic Partnership Arrangement (CO(CEPA)) to help ensure that only goods that pass a value-added percentage threshold can benefit from the tariff preference under the Mainland and Hong Kong Closer Economic Partnership Arrangement (CEPA);
- blitz checks on consignments subject to licensing control or covered by CO(CEPA) at entry and exit points and public cargo working areas;
- consignment inspections to ensure compliance with legislation governing the import and export of strategic commodities and other licensable items;
- inspections and verifications to ensure the effective implementation of the Chemical Weapons Convention in Hong Kong;
- inspections to enforce control on reserved commodities;
- collection of import and export declaration charges and clothing levies under the respective legislation;
- verification and assessment of the values of import and export consignments to recover underpaid import and export declaration charges and clothing levies; and
- investigation and prosecution of contraventions.

24 During 2019–20, the Department will continue to:

- assume any additional enforcement responsibilities arising from the trade in new products that become eligible for the zero tariff preference as a result of implementation of the newly signed CEPA Agreement on Trade in Goods on 1 January 2019 and the biannual Rules of Origin Consultations under CEPA implemented since 1 January 2006; and
- maintain effective enforcement actions on strategic trade controls by strengthening disposal checks and outreaching programmes.

#### Analysis of Financial and Staffing Provision

##### Programme (1)

Provision for 2019–20 is \$741.0 million (23.7%) higher than the revised estimate for 2018–19. This is mainly due to the net increase of 144 posts to meet operational needs, increased operating expenses, and increased cash flow requirement for capital projects.

##### Programme (2)

Provision for 2019–20 is \$2.5 million (1.0%) higher than the revised estimate for 2018–19. This is mainly due to the increased operating expenses.

##### Programme (3)

Provision for 2019–20 is \$35.4 million (9.8%) higher than the revised estimate for 2018–19. This is mainly due to the net increase of 40 posts to meet operational needs and increased operating expenses.

##### Programme (4)

Provision for 2019–20 is \$2.7 million (1.3%) higher than the revised estimate for 2018–19. This is mainly due to the net increase of two posts to meet operational needs and increased operating expenses.

##### Programme (5)

Provision for 2019–20 is \$7.5 million (3.6%) higher than the revised estimate for 2018–19. This is mainly due to the increased operating expenses.

### Details of Expenditure by Subhead

The estimate of the amount required in 2019–20 for the salaries and expenses of the Customs and Excise Department is \$4,943,961,000. This represents an increase of \$789,085,000 over the revised estimate for 2018–19 and \$1,313,354,000 over the actual expenditure in 2017–18.

#### *Operating Account*

##### Recurrent

**2** Provision of \$4,661,991,000 under *Subhead 000 Operational expenses* represents an increase of \$689,722,000 (17.4%) over the revised estimate for 2018–19. This is mainly due to the additional requirement for the provision of customs clearance services at the Hong Kong-Zhuhai-Macao Bridge Hong Kong Port, the Hong Kong Section of Guangzhou-Shenzhen-Hong Kong Express Rail Link and the Heung Yuen Wai Boundary Control Point as well as the increased operating expenses.

**3** The establishment as at 31 March 2019 will be 7 387 permanent posts. It is expected that there will be a net increase of 186 permanent posts in 2019–20. Subject to certain conditions, the controlling officer may under delegated power create or delete non-directorate posts during 2019–20, but the notional annual mid-point salary value of all such posts must not exceed \$3,300,156,000.

**4** An analysis of the financial provision under *Subhead 000 Operational expenses* is as follows:

	2017–18 (Actual) (\$'000)	2018–19 (Original) (\$'000)	2018–19 (Revised) (\$'000)	2019–20 (Estimate) (\$'000)

**5** Provision of \$12 million under *Subhead 103 Rewards and special services* is for expenditure on rewards and services of a confidential nature.

**6** Provision of \$51,500,000 under *Subhead 292 Seizure management* is to meet expenses related to the transportation and storage of goods seized in anti-smuggling and other enforcement activities.

#### *Capital Account*

##### Plant, Equipment and Works

**7** Provision of \$119,347,000 under *Subhead 661 Minor plant, vehicles and equipment (block vote)* represents an increase of \$77,554,000 (185.6%) over the revised estimate for 2018–19. This is mainly due to the increased requirement for new and replacement equipment.
