to be moved by Hon WONG Ting-kwong**

Wording of the Motion

That the Central Government has promulgated the Outline Development Plan for the Guangdong-Hong Kong-Macao Greater Bay Area (‘the Plan’), the contents of which have taken on board the views of Hong Kong, Macao and the major cities in the Greater Bay Area, setting out the directions for future development of the Greater Bay Area, putting forward specific economic development objectives for Hong Kong and proposing a number of measures to facilitate Hong Kong people in living and working on the Mainland; in order to enable Hong Kong to properly perform the role of a core engine for regional development, grasp new opportunities of future development and improve people’s livelihood, this Council urges the SAR Government to formulate policies and allocate more resources to develop pillar industries, innovation and technology and other emerging industries, and to adopt more proactive measures to facilitate the daily living and travel of members of the public in Hong Kong, so as to offer appropriate channels of business expansion in the Greater Bay Area to enterprises of different sizes (micro, small, medium and large), create more new development and employment opportunities for Hong Kong people, particularly young people, and provide Hong Kong people with living space of better quality.
