Subject: The municipal solid waste scheme has my full SUPPORT

Dear Honorable Legislative committee members:

I'm writing to express my support for the municipal solid waste scheme. Hong Kong's waste management policy is outdated. Similar solid waste scheme has been adopted by Europe, Taiwan, and Japan, etc. for years. Look at the figures on our city's waste, it is staggering and we desperately need a solid waste scheme to tackle the problem.

I hope this bill can be passed as soon as possible and benefit Hong Kong residents.

Best regards,
Chi Ho Chan
