Agenda item VI —Staffing proposal for taking forward municipal solid waste charging and complementary waste reduction and recycling initiatives

The Administration was requested to provide the following information before submitting the relevant staffing proposal to the Establishment Subcommittee:

- (a) the major duties to be undertaken by each of the nine directorate posts proposed to be created/re-created under the Environmental Protection Department ("EPD") and the timetables of those duties, with a view to elaborating the justifications for creating/re-creating the said posts and their proposed durations;
- (b) the number of non-directorate civil service posts and non-civil service contract posts to be deployed to support each of the nine proposed directorate posts; and
- (c) examples of cooperation between EPD and other government departments (the Housing Department and Food and Environmental Hygiene Department in particular) on the preparation for or implementation of the proposed municipal solid waste charging and complementary waste reduction and recycling initiatives.
