8. Implementation of the human-poultry segregation measures at retail outlets for the live poultry trade	To be confirmed
9. Use of veterinary drugs in food animals and cultured fish and surveillance of veterinary drug residues in food and food animals	To be confirmed

Item proposed by the Administration.

At the meeting on 15 October 2015, concerns were raised about the regulation of animal feed for livestock and cultured fish and the presence of veterinary drug residues, including antibiotics, in meat and aquatic products for human consumption. There was a suggestion that the Panel should discuss the subject matter at a Panel meeting.

On 3 January 2017, the Administration provided the Panel with an information paper on its work plan regarding antimicrobial resistance ("AMR") (LC Paper No. CB(2)519/16-17(01)). At the Panel meeting on 10 January 2017, members considered it necessary for the Administration to explain at a meeting its work plan and progress in tackling the threat of AMR.

In recognition of the major threat posed by AMR to global public health, the Administration has set up a High Level Steering Committee on AMR ("HLSC") to formulate strategies and action plans for tackling AMR in Hong Kong. The Expert Committee on AMR ("Expert Committee") formed under HLSC has made recommendations to HLSC. Taking into account the recommendations of the Expert Committee and the "One Health" framework which apprehends the correlation among human, animal and environment health and that AMR must be tackled at all three levels, HLSC has formulated a holistic action plan on AMR. On 10 July 2017, the Administration formally launched the Hong Kong Strategy and Action Plan on AMR ("Action Plan") (2017-2022). The issue was discussed by the Panel on Health Services at its

<p>meeting on 17 July 2017, and members of this Panel were invited to join the discussion.</p> <p>On 6 August 2018, the Administration provided a further information paper on the progress of the work on tackling the threat of AMR in food animals by the Agriculture, Fisheries and Conservation Department under the Action Plan (LC Paper No. CB(2)1913/17-18(01)).</p>	
<p>10. Policies on promoting the development of the fisheries industry</p>	<p>To be confirmed</p>
<p>At the meeting on 18 October 2016, Hon Steven HO suggested that the Panel should follow up with the Administration on the following issues:</p> <p>(a) the impact of the changes to the fisheries policy of the Mainland (e.g. the implementation of the annual fishing moratorium in the South China Sea and the provision of fuel subsidy to fishermen by the Mainland authorities) on the Government's implementation of various loan schemes for local fishermen; and</p> <p>(b) the assistance provided for fish farmers affected by natural disasters.</p> <p>The Administration has indicated its intention to brief members on Hong Kong's mariculture development in 2018.</p>	
<p>11. Public consultation on the proposed regulation of cooked meat</p>	<p>To be confirmed</p>
<p>At the special meeting on 3 September 2014, members suggested that the Panel should follow up with the Administration on the regulation of cooked meat. The Administration advised that it would review the relevant legislation and seek the views of members and the trade before deciding on the way forward.</p>	

Subject	Proposed timing for discussion
<p>At the meeting on 18 October 2016, a request was raised that the Administration should revert to the Panel on the progress of its review on the need for legislative amendments.</p>	
<p>12. Government Laboratory's work in respect of food safety and other services</p>	<p>To be confirmed</p>
<p>Item proposed by the Administration.</p>	
<p>The Administration plans to brief members on the re-development of the Food Safety Laboratory of the Government Laboratory, once ready.</p>	
<p>13. Wholesale market consultancy study</p>	<p>To be confirmed</p>
<p>At the meeting on 10 June 2014, members noted that the Administration had commissioned a consultancy study on the present-day functions and purpose of the wholesale business in the sale of fresh food produce, and analyse the geographical spread of the five existing wholesale markets from the perspectives of land use and food safety. The Administration undertook to revert to the Panel when the outcome of the consultancy study was ready.</p>	
<p>14. Ancillary facilities for storage and distribution of chilled meat and poultry</p>	<p>To be confirmed</p>
<p>At the meeting on 15 October 2015, concern was raised about the lack of ancillary facilities for wholesaling of chilled meat and poultry. Noting that the trade had made repeated requests to the Government for the setting up of an approved distribution and storage centre for chilled meat and poultry with a view to reducing food safety risks, members requested for early discussion of the subject.</p>
