

**Panel on Food Safety and Environmental Hygiene**

**List of outstanding items for discussion**  
(position as at 2 January 2019)

<b>Subject</b>	<b>Proposed timing for discussion</b>
<b>1. Application of new technologies in enhancing environmental hygiene and pest control</b>	February 2019

At the meeting on 11 October 2018, members considered that the Panel should follow up with the Administration on the following issues:

- (a) Food and Environmental Hygiene Department ("FEHD")'s strengthened efforts in improving environmental hygiene and eliminating hygiene blackspots;
- (b) review of FEHD's cleansing contract tendering system (including the practice of using the "standard marking scheme" for evaluating the tenders received); and
- (c) application of innovation and technologies for improving environmental hygiene.

At the meeting between the Chairman, the Deputy Chairman and the Secretary for Food and Health to discuss the work plan of the Panel for the 2018-2019 session ("the work plan meeting") held on 1 November 2018, it was agreed that the Administration should brief members on the above issues in January 2019. In relation to the issue in (c) above, the Chairman suggested that the Research Office of the Information Services Division of the Legislative Council Secretariat could be requested to prepare an information note or fact sheet on practices and experiences in selected places for members' reference.

<b>Subject</b>	<b>Proposed timing for discussion</b>
<b>2. Registration of fishing vessels under the Fisheries Protection Ordinance (Cap. 171)</b>	February 2019
Item proposed by the Administration.	
The Administration plans to consult the Panel on the proposed amendments to the above Ordinance.	
<b>3. Policies on promoting the development of the fisheries industry</b>	February 2019 for matters related to fisheries
At the meeting on 18 October 2016, Hon Steven HO suggested that the Panel should follow up with the Administration on the following issues:	The issue related to oyster culture would be separately reported.
(a) the impact of the changes to the fisheries policy of the Mainland (e.g. the implementation of the annual fishing moratorium in the South China Sea and the provision of fuel subsidy to fishermen by the Mainland authorities) on the Government's implementation of various loan schemes for local fishermen; and	
(b) the assistance provided for fish farmers affected by natural disasters.	
At the meeting on 11 October 2018, Hon Steven HO expressed a view that the Administration should conduct a study on the structural changes in local fisheries industry, with a view to formulating measures to assist fishermen engaging in capture fishery to switch to sustainable fisheries operations such as aquaculture and recreational fisheries.	
At the work plan meeting on 1 November 2018, it was agreed that the item be tentatively scheduled for discussion in the first quarter of 2019. It was also agreed that the issue of regulating and monitoring the activities of oyster culture in Hong Kong should be subsumed under this item.	

<b>Subject</b>	<b>Proposed timing for discussion</b>
<b>4. Creation of a directorate post in the Food and Environmental Hygiene Department for better managing and upgrading municipal infrastructure</b>	1 <sup>st</sup> quarter of 2019
Item proposed by the Administration.	
The Administration plans to consult members on the above staffing proposal.	
<b>5. Review of legislation relating to animal welfare</b>	1 <sup>st</sup> quarter of 2019
At the Panel meetings on 9 January, 10 April and 11 October 2018, some members expressed wishes that arrangement be made for discussion of issues relating to animal welfare, including the progress of the Administration in reviewing legislation relating to animal welfare, measures to prevent/combat acts of cruelty to animals, the feasibility of setting up "animal police" teams tasked to investigate into cases of animal cruelty and abandonment as well as measures taken by the Agriculture, Fisheries and Conservation Department ("AFCD") for tackling nuisance caused to the community by wild pigs.	
At the work plan meeting on 1 November 2018, it was agreed that the item be tentatively scheduled for discussion in the first quarter of 2019.

after the enactment of the Private Columbaria Ordinance (Cap. 630).

At the work plan meeting on 1 November 2018, it was agreed that the item be tentatively scheduled for discussion in the first quarter of 2019. By then, the Administration should also brief members on the arrangements for handling the displaced ashes arising from cessation of operation of private columbaria.

**7. Food safety surveillance mechanism for imported food**

2<sup>nd</sup> quarter of 2019

On 9 October 2017, the Administration provided the Panel with an information paper entitled "Food Safety Surveillance Mechanism for Imported Food" (LC Paper No. CB(2)2188/16-17(01)). At the meeting on 12 October 2017, Dr Hon Helena WONG requested the Administration to brief members on the content of the said paper which covered the developments of the incident concerning the quality of Brazilian frozen and chilled meat and poultry meat and the follow-up actions taken by the Centre for Food Safety ("CFS") in response to the incident of suspicious health certificate accompanying a consignment of frozen chicken feet imported from Brazil. She also suggested that the Panel should continue to follow up and discuss the import arrangements for hairy crabs. On 1 November 2018, the Administration provided the Panel with an information paper, reporting on the import and regulatory arrangements for sale of hairy crabs in 2018 (LC Paper No. CB(2)176/18-19(01)).

At the work plan meeting on 1 November 2018, it was tentatively agreed that the Administration would give members an overall update on the food safety surveillance mechanism for imported food in the second quarter of 2019.

## Proposed timing for discussion

In her letter dated 30 November 2018 (LC Paper No. CB(2)361/18-19(01)), Dr Hon Helena WONG referred to Chapters 1 and 2 in Report No. 71 of the Director of Audit on the results of value for money audits ("Director of Audit's Report") tabled in the Council on 28 November 2018 respectively on the subjects of "Centre for Food Safety: Management of food safety" and "Centre for Food Safety: Import control of foods", and suggested that the Panel should, after the Public Accounts Committee has conducted its public hearings and completed the report in respect of the subjects covered in the above two Chapters of the Director of Audit's Report, follow up the relevant policy issues and further discuss with the Administration at a Panel meeting how the work of CFS in relation to food surveillance and import control could be enhanced.

### **8. Report on the Food Surveillance Programme for 2018**

2<sup>nd</sup> quarter of 2019

At the meeting on 11 October 2018 and the work plan meeting on 1 November 2018, concerns were expressed about CFS' surveillance control over imported vegetables (including vegetables directly distributed to retail outlets), efficiency of the Government Laboratory in testing samples of vegetables as well as the progress of the Administration in following up the recommendations made in the Ombudsman's direct investigation report on "Food and Environmental Hygiene Department's System of Safety Control for Imported Fruits and Vegetables".

Separately, at the special meeting on 3 September 2014, in response to members' concern about inadequate regulation over cooked meat, the Administration advised that it would review the relevant legislation and seek the views of the trade before deciding on the way forward.

<b>Subject</b>	<b>Proposed timing for discussion</b>
<p>At the work plan meeting on 1 November 2018, it was agreed that when the Administration reported on the Food Surveillance Programme for 2018, it should update members on the safety control for imported vegetables and the direction regarding the regulation of cooked meat.</p>	
<p><b>9. Government Laboratory's work in respect of food safety and other services</b></p>	2 <sup>nd</sup> quarter of 2019
<p>Item proposed by the Administration.</p>	
<p>The Administration plans to brief members on the re-development of the Food Safety Laboratory of the Government Laboratory in the second quarter of 2019.</p>	
<p><b>10. Outcome of the review of the Harmful Substances in Food Regulations</b></p>	2 <sup>nd</sup> quarter of 2019
<p>At the meeting on 11 October 2018, Dr Hon Helena WONG suggested that the Administration should be requested to update members on the progress/outcome of the review of the Harmful Substances in Food Regulations (Cap. 132AF). At the work plan meeting on 1 November 2018, it was agreed that the item be tentatively scheduled for discussion in the second quarter of 2019.</p>	
<p><b>11. Regulatory control of genetically modified food</b></p>	2 <sup>nd</sup> quarter of 2019
<p>At the meeting on 12 March 2013, the Panel was briefed on the Administration's proposal on regulating genetically modified ("GM") food by introducing a mandatory pre-market safety assessment scheme ("PMSAS") in Hong Kong. At the meeting on 11 July 2017, the Administration advised that it would launch a public consultation on PMSAS in due course, taking into account the international development on regulation of GM food.</p>

At the work plan meeting on 1 November 2018, the Chairman requested the Administration to update members on the progress in taking forward PMSAS, the latest development in relation to GM food labelling and the inspection/testing work on GM food conducted by CFS.

**12. Use of veterinary drugs in food animals and cultured fish and surveillance of veterinary drug residues in food and food animals**

End of 2018-2019  
session

At the meeting on 15 October 2015, concerns were raised about the regulation of animal feed for livestock and cultured fish and the presence of veterinary drug residues, including antibiotics, in meat and aquatic products for human consumption. There was a suggestion that the Panel should discuss the subject matter at a Panel meeting.

On 3 January 2017, the Administration provided the Panel with an information paper on its work plan regarding antimicrobial resistance ("AMR") (LC Paper No. CB(2)519/16-17(01)). At the Panel meeting on 10 January 2017, members considered it necessary for the Administration to explain at a meeting its work plan and progress in tackling the threat of AMR.

In recognition of the major threat posed by AMR to global public health, the Administration has set up a High Level Steering Committee on AMR ("HLSC") to formulate strategies and action plans for tackling AMR in Hong Kong. The Expert Committee on AMR ("Expert Committee") formed under HLSC has made recommendations to HLSC. Taking into account the recommendations of the Expert Committee and the "One Health" framework which apprehends the correlation among human, animal and environment health and that AMR must be tackled at all three levels, HLSC has formulated a holistic action plan on AMR. On 10 July 2017, the Administration formally
