products for human consumption. There was a suggestion that the Panel should discuss the subject matter at a Panel meeting.

On 3 January 2017, the Administration provided the Panel with an information paper on its work plan regarding antimicrobial resistance ("AMR") (LC Paper No. CB(2)519/16-17(01)). At the Panel meeting on 10 January 2017, members considered it necessary for the Administration to explain at a meeting its work plan and progress in tackling the threat of AMR.

In recognition of the major threat posed by AMR to global public health, the Administration has set up a High Level Steering Committee on AMR ("HLSC") to formulate strategies and action plans for tackling AMR in Hong Kong. The Expert Committee on AMR ("Expert Committee") formed under HLSC has made recommendations to HLSC. Taking into account the recommendations of the Expert Committee and the "One Health" framework which apprehends the correlation among human, animal and environment health and that AMR must be tackled at all three levels, HLSC has formulated a holistic action plan on AMR. On 10 July 2017, the Administration formally launched the Hong Kong Strategy and Action Plan on AMR ("Action Plan") (2017-2022). The issue was discussed by the Panel on Health Services at its meeting on 17 July 2017, and members of this Panel were invited to join the discussion.

On 6 August 2018, the Administration provided a further information paper on the progress of the work on tackling the threat of AMR in food animals by AFCD under the Action Plan (LC Paper No. CB(2)1913/17-18(01)). At the work plan meeting on 1 November 2018, the Administration was requested to update members on the subject by the end of the 2018-2019 session.

agreed to report to the Panel on the outcome of the review (paragraphs 29 and 30 of the Subcommittee's report (LC Paper No. CB(2)256/14-15) refers).

The Subcommittee on Three Regulations Relating to Control Regime for the Import of Eggs also proposed that the Administration should report the progress of the review to the Panel (paragraphs 24 to 26 of its report (LC Paper No. CB(2)2123/14-15) refers).

The Administration has advised that it would brief members on its review of the maximum levels of penalties of offences under FSO and its subsidiary legislation when ready.

15. Animal Management and Animal Welfare Building Complex at Kai Tak Development

To be confirmed

Item proposed by the Administration.

The Administration plans to consult members on the above public works project when ready.

16. Government's policy on bazaar activities

To be confirmed

The Administration has been requested to brief members on issues relating to the Government's policy on bazaar activities, including the Administration's next course of action and progress in following up various recommendations of the Subcommittee on Issues Relating to Bazaars as set out in its report (Annex I to LC Paper No. CB(1)969/17-18). On 11 September 2018, the Administration provided the Panel with an information paper (LC Paper No. CB(2)2003/17-18(01)) reporting on the follow-up actions taken by the Administration in response to the Subcommittee's report.

Subject

**Proposed timing
for discussion**

At the work plan meeting on 1 November 2018, the Chairman requested the Administration to explore the feasibility of issuing specific permits/licences allowing bazaar activities at designated areas. The Administration undertook to report to the Panel on the subject matter when ready.

At the meeting on 11 December 2018, the Panel was briefed on the Government's proposed arrangements for re-allocation of vacant hawker pitches. The Panel also held a special meeting to receive deputations' views on the proposed arrangements on 28 January 2019. According to the Administration, it is consulting the District Councils concerned with a view to inviting applications for the vacant pitches in the third quarter of 2019.

17. Liquor licence fee adjustment: outcome of consultation

To be confirmed

At the meeting on 11 July 2017, the Panel was briefed on the Government's proposal to adjust liquor licence fees and the improvement measures introduced for processing liquor licensing applications. The Panel subsequently held a special meeting on 22 September 2017 to receive public views on the subject. The Administration concurrently consulted stakeholders on the fee adjustment proposal at liaison meetings with the trade in September and October 2017. The Administration has advised vide Annex H to LC Paper No. CB(2)804/17-18(01) that it is compiling the views received from various parties and will report to the Panel on the latest position at an opportune time.

At the work plan meeting on 1 November 2018, the Administration was requested to provide, before the end of the first quarter of 2019, the Panel with an information paper reporting on the latest development of the subject matter to facilitate members' consideration of whether the matter should be brought up for discussion at a Panel meeting.

Subject	Proposed timing for discussion
18. Issues relating to liquor licensing	To be confirmed
<p>At the meeting on 8 January 2019, Dr Hon CHIANG Lai-wan expressed concern about the liquor licensing policy in Hong Kong and suggested that the Panel should discuss the licensing criteria at a future meeting.</p>	
<p>According to the Administration, it would explain the liquor licensing regime in the information paper on liquor licence fee adjustment in one go.</p>	
19. Regulating and monitoring the activities of oyster culture in Hong Kong	To be confirmed
<p>At previous meetings of the Panel, concern was expressed about the over-expansion of oyster culture in Shenzhen Bay and the need of introducing in Hong Kong a licensing mechanism for regulating the activities of oyster culture. There was a suggestion that the issue of regulating and monitoring the activities of oyster culture in Hong Kong should be discussed by the Panel.</p>

At the meeting on 11 October 2018, members considered it necessary for the Administration to brief members on the outcome of the consultancy study (including the timetable, proposed sites and detailed plan for relocating Cheung Sha Wan Temporary Poultry Market and Yau Ma Tei Fruit Market). At the work plan meeting on 1 November 2018, the Administration advised that the study was expected to be completed in 2020.

22. Ancillary facilities for storage and distribution of chilled meat and poultry

To be confirmed

At the meeting on 15 October 2015, concern was raised about the lack of ancillary facilities for wholesaling of chilled meat and poultry. Noting that the trade had made repeated requests to the Government for the setting up of an approved distribution and storage centre for chilled meat and poultry with a view to reducing food safety risks, members requested for early discussion of the subject.

23. Measures to facilitate the establishment of co-operative societies

To be confirmed

In his letter dated 12 December 2016 (LC Paper No. CB(2)413/16-17(01)), Hon CHU Hoi-dick expressed concern on the need for the Administration to review the Co-operative Societies Ordinance (Cap. 33) and to draw up measures for promoting local community economy by facilitating the establishment of co-operative societies. He suggested that the Panel should discuss the subject matter at a future meeting. The Administration's response to issues raised in the letter from Hon CHU was set out in LC Paper No. CB(2)514/16-17(01) issued on 3 January 2017.

At the work plan meeting on 1 November 2018, it was agreed that the Administration would bring up this issue when it reported to the Panel on the progress of the initiatives under the New Agriculture Policy.

relating to online food selling activities/platforms, including the potential food safety risks involved in the delivery process of food products sold through these platforms.

At the work plan meeting on 1 November 2018, the Administration was requested to provide, before January 2019, the Panel with an information paper reporting on the subject to facilitate members' consideration of whether the matter should be brought up for discussion at a Panel meeting.

On 31 January 2019, the Administration provided the Panel with an information paper on the regulation of online food sale by the Government and the surveillance, enforcement and public education efforts on the food safety of the food concerned (LC Paper No. CB(2)746/18-19(01)).

27. Provision of water dispensers at venues of the Food and Environmental Hygiene Department

To be confirmed

At the work plan meeting on 1 November 2018, the Chairman expressed concern about the Administration's progress in installing water dispensers at the venues under the management of FEHD and the hygiene condition of the water dispensers.

At the request of the Chairman, the Administration would provide, by the end of the second quarter of 2019, the Panel with an information paper reporting on the subject to facilitate members' consideration of whether the matter should be brought up for discussion at a Panel meeting.

Subject	Proposed timing for discussion
28. Licensing conditions and requirements for food factory licence	To be confirmed
<p>At the work plan meeting on 1 November 2018, the Chairman expressed concern that as some food factories were not allowed to provide dining service under the existing licensing requirements, visitors had to use disposable plastic tableware even the food was consumed inside the factories, which resulted in wastage of tableware. The Chairman suggested that the Administration should review whether amendments should be made to the licensing conditions for food factories. The Administration undertook to provide, by the end of the second quarter of 2019, the Panel with an information paper reporting on the subject to facilitate members' consideration of whether the matter should be brought up for discussion at a Panel meeting.</p>	
29. Establishment of the Agricultural Park	To be confirmed
<p>At the meeting on 8 January 2019, the Administration consulted members on the proposed construction of Phase 1 of the Agricultural Park ("Agri-Park") in Kwu Tung South. Noting that the Agri-Park is planned to be implemented in two phases, members, after taking into account its proposed scale, considered it necessary for the Administration to regularly report to the Panel on the progress of this works project.</p>
