**Follow-up to meeting on 1 April 2019**

Following the meeting of the Joint Subcommittee to Monitor the Implementation of the West Kowloon Cultural District Project on 1 April 2019, the West Kowloon Cultural District Authority (“WKCD”) provides supplementary information as requested below –

**Update on the development of the Art Park and Freespace**

**(a) give an account of the decision to investigate the possibility of installing a waterfront vineyard in WKCD despite Hong Kong's unsuitable climate conditions for grape growing**

The West Kowloon Cultural District Authority started to investigate the possibility of installing a waterfront vineyard in West Kowloon with advice from domaine owners in Bourgogne, France in February 2019. A possible location for a vineyard has been identified in the Art Park near to the Harbour. WKCD will follow its usual practice to test out vines of a few grape varieties and closely monitor the adaptation of the vines to the terroir at West Kowloon.
