### Panel on Housing

#### **Motion passed under agenda item IV "Rent payment for public housing tenants" at the meeting on 4 November 2019**

Given that the operation of the transport and logistics industries is affected by internal and external economic environment as well as social circumstances, this Panel urges the authorities to appeal to the Hong Kong Housing Authority and the Hong Kong Housing Society, in order to tie in with the Government's relief measures, to grant a 50% rent remission for six months to their carpark tenants.
