Digital Worshipping Facilities in Kwai Chung Garden of Remembrance²

Operated by the Food and Environmental Hygiene Department

² Four electronic kiosks are installed at the side of the new part of the Kwai Chung Garden of Remembrance. It is the first time for the Food and Environmental Hygiene Department to adopt electronic worshipping at Garden of Remembrance to facilitate the public to pay tribute to the deceased. Moreover, for those who have created a memorial webpage on the website of the Internet Memorial Service (www.memorial.gov.hk) provided by the Food and Environmental Hygiene Department, they can pay tribute to their beloved online or through the mobile application anywhere and anytime. Family members and friends can also share memories and experiences through the webpage.
