

Panel on Environmental Affairs

Follow-up actions arising from the meeting on 22 June 2020

Agenda item III — Food waste collection and delivery arrangements

The Administration was requested to provide the following information in respect of the Pilot Scheme on Food Waste Collection:

- (a) the geographical distribution of the venues covered by the first phase of the pilot scheme, and that of the venues that had expressed interest in joining the second phase; and
- (b) the capital and operating costs of the vehicle fleet for the collection and delivery of food waste under the first phase, and the estimated capital cost of additional vehicles (if any) and operating cost of the entire vehicle fleet under the second phase.

Agenda item IV — Management of yard waste

The Administration was requested to provide the number of cases requiring follow-up actions due to deviation from the Guidelines on Handling Yard Waste for Recycling and Disposal.
