**Motion passed under agenda item III on  
"Strategic Repositioning Plan of Ocean Park"  
at the meeting on 20 January 2020**

Government's Response

We note the motion moved by Hon Yiu Si-wing and passed by the Panel on Economic Development. In relation to the Strategic Repositioning Plan ("SRP") of Ocean Park, we understand that Members had different views on how the funds could be effectively used, including their usage and the assessment of benefits of the new facilities upon their completion. Hence, in submitting the proposed financial arrangements to the Finance Committee ("FC") for consideration, we will further elaborate on these aspects. The Ocean Park Corporation and the Government will also continue to explain the SRP and the financial arrangements to the public and Members. We hope that the community and the FC will support the SRP.
