Agenda Item I — Proposed creation of one permanent Principal Valuation Surveyor post in the Government Property Agency to oversee the property and facilities management of the boundary control points

The Administration is requested to provide supplementary information on: (a) the shortcomings of the existing approach of using the Building Management Committees formed by user departments accommodated in the boundary control points for the management of the property and facilities therein; and (b) how the proposed permanent Principal Valuation Surveyor can improve the management work as compared with the existing approach.
