

**Panel on Health Services**

**Subcommittee on Issues Relating to the Support for Cancer Patients**

**List of follow-up actions required of the Administration  
arising from the discussion at the meeting on 17 March 2020**

The Administration was requested to, in respect of its advice that the current ratio of cancer case managers to newly diagnosed breast cancer patients stood at 1:200 under the Cancer Case Manager programme, advise the respective average waiting time for a newly diagnosed breast cancer and colorectal cancer patient to have the first consultation with a cancer case manager.
