Legislative Council Complex

Dear Mr CHU,

Follow-up to the Panel on Public Service

The Panel on Public Service asked at its meeting on 4 May 2020 about the pilot programme to be launched by the Labour Department (LD) in conjunction with non-governmental organisations to provide employment services for ethnic minority (EM) job seekers through a case management approach. As requested by the Panel, we provide the relevant information of the pilot programme as follows:

- (a) LD expects that over 500 EM job seekers will participate in the pilot programme in the first two years after its launch.
- (b) LD has created three additional posts for four years starting from 2019-20 to take forward the pilot programme.

Yours sincerely,

(Charles HUI)

for Commissioner for Labour

c.c. Secretary for Civil Service (Attention: Ms Belinda CHONG)
