Dear *Jeffrey*,

Supplementary information on M+ subcontractor payment

We refer to Hon Tanya Chan's comment made during the meeting of the Joint Subcommittee to Monitor the Implementation of the West Kowloon Cultural District Project on 25 November 2019 that some subcontractors previously employed by Hsin Chong construction Company Limited on M+ project have been in touch with her office regarding the timeline for settling the payments. She enquired if all of them have been settled.

In addition to the response the West Kowloon Cultural District Authority gave during the meeting, we have further provided supplementary information to the Hon Tanya Chan on the subject. A copy of our letter to Ms Chan is attached for your information.

Yours sincerely,

Jeremy Stowe
