Subject: Submission supporting Charging for Municipal Solid Waste

Dear Chairman
of Bills Committee to Study the Waste Disposal
(Charging for Municipal Solid Waste) (Amendment) Bill 2018

This is an individual submission supporting the charging for municipal solid waste (MSW) in Hong Kong.

Without charging for MSW we have seen that our rate for waste disposal is increasing and the rates for recycling are dropping.

I don't want to see HK again needing to take country parks for landfill extensions or destroying the ocean to build an incinerator.

Therefore I support the Legislative Council's efforts to pass the Waste Disposal (Charging for Municipal Solid Waste) (Amendment) Bill before the end of the 2020/21 Legislative year.

Regards
