Subject: 回覆 : Re: Enquiry on the status of Mainland Judgements in Matrimonial and Family Cases(Reciprocal Recognition and Enforcement) bill

Dear Bills Committee Members

We understand the backlog of Bills in the current legco year due to government paralysis and the situation is foreseeably worsened by the coming legislative work on the election reform. As no action can be taken to salvage already rotten child welfare for my kidnapped son who has not been able to attend school or take vaccines so far until the bill is enacted in HK and then Mainland, please show your mercy to complete the bill within the current legco year

Mr Lai
