

Bills Committee on Medical Registration (Amendment) Bill 2021

**List of follow-up actions required of the Administration
arising from discussion at meeting on 23 June 2021**

The Administration was requested to advise:

- (a) the wastage rate of doctors in the Hospital Authority ("HA") in the past three to five years;
- (b) the incentives offered by HA to retain doctors in the public healthcare system;
- (c) the ratio of doctors in public healthcare system to those in private healthcare system in Japan and Singapore, which have a similar per capita doctor ratio compared to Hong Kong; and
- (d) the expected per capita doctor ratio in Hong Kong compared to other advanced economies, if the shortage of doctors stated in the Healthcare Manpower Projection 2020 could be solved.
