

**Bills Committee on Smoking (Public Health) (Amendment) Bill 2019
(2020-2021 session)**

**List of follow-up actions required of the Administration
arising from the discussion at the meeting on 17 November 2020**

The Administration was requested to:

- (a) provide a comparison of the regulatory measures implemented by the Food and Drug Administration of the United States for electronic cigarettes ("e-cigarettes") and heated tobacco products ("HTPs"); and
- (b) advise the respective regulatory approaches for e-cigarettes and HTPs currently adopted by overseas places, including information on whether sale of these products was prohibited, allowed with restrictions or not subject to any regulation in their local markets.
