**Ir Dr Hon LO Wai-kwok's motion on
“Developing Hong Kong into a regional professional services hub”**

Wording of the Motion

That this Council urges the Government to act appropriately having regard to the circumstances, by meeting the keen demand for professional services arising from the Belt and Road Initiative as well as the development of the Guangdong-Hong Kong-Macao Greater Bay Area and capitalizing on Hong Kong's unique advantage of 'one country, two systems' and its international experience and network, to formulate complementary policies and measures to develop Hong Kong into a regional professional services hub, so as to seek more development opportunities for a wide range of professional personnel as well as large, medium and small enterprises in Hong Kong.
