Meeting arrangements relating to the debate on Motion of Thanks

Members were informed earlier that the captioned debate (i.e. the debate on the 2020 Policy Address) was scheduled for the Council meeting of 6 January 2021 (LC Paper No. CB(3) 140/20-21). Before the debate, in line with the established practice, a series of briefings on relevant policy initiatives would be conducted by public officers for Members at meetings of the respective Panels.

2. However, as the COVID-19 epidemic has been getting more severe recently, many of such briefings needed to be deferred to a later date (to be determined) for minimizing the risk of infection at the Legislative Council Complex. To allow more time for Panels to schedule such briefings, the President has decided that:

- (a) the captioned debate be **rescheduled to the Council meeting of 20 January 2021**; and
- (b) the **Council meeting of 6 January 2021** be reverted to a **regular Council meeting**.

3. If there is any change to the above meetings, the Secretariat will inform Members as soon as possible.
