

**Subcommittee on Subsidiary Legislation
Relating to the Prevention and Control of Disease**

**Follow-up action required of the Administration
arising from the discussion at the meeting on 27 January 2021**

The Administration was requested to make a thorough assessment of whether it could ensure timely delivery of the COVID-19 vaccines to Hong Kong given the impact of the proposed 14-day hotel quarantine plus 7-day medical surveillance requirement for pilots and cabin crew on transport capacity of airlines.
