“Charge for Disposal of Municipal Solid Waste at Scheduled Facilities”.

4. Part IVB added

After Part IVA—

Add

“Part IVB

Charging for Municipal Solid Waste

Division 1—Purpose of Part IVB

20J. Purpose of Part IVB

- (1) The purpose of this Part is to establish a quantity-based charging scheme for the disposal of municipal solid waste to achieve waste reduction.
- (2) Division 2 provides for the mandatory use of designated bags or designated labels when disposing of municipal solid waste.
- (3) Division 3 regulates the production, sale and supply of designated bags and designated labels.
- (4) Division 4 contains miscellaneous provisions.

Division 2—Mandatory Use of Designated Bags or Designated Labels

20K. Depositing non-compliant waste prohibited

- (1) A person commits an offence if the person deposits, or causes or permits to be deposited, any non-compliant waste—
 - (a) at a refuse collection point;
 - (b) onto a waste vehicle in Government service or a waste vehicle in private use (with compactor);
or
 - (c) into a specified bin.
- (2) However, subsection (1) does not apply to—
 - (a) a Government-employed waste handler; or
 - (b) a person who—
 - (i) is not a Government-employed waste handler; and
 - (ii) is acting in the course of—
 - (A) providing removal services at a refuse collection point; or
 - (B) providing removal services by a waste vehicle in Government service or a waste vehicle in private use (with compactor).
- (3) Section 20O provides for the defences to, and section 20P provides for the penalty for, an offence under subsection (1).

20L. Depositing non-compliant waste by removal services provider prohibited

- (1) A person who—
 - (a) is not a Government-employed waste handler; and
 - (b) is acting in the course of—
 - (i) providing removal services at a refuse collection point; or
 - (ii) providing removal services by a waste vehicle in Government service or a waste vehicle in private use (with compactor),commits an offence if the person deposits, or causes or permits to be deposited, any non-compliant waste at the refuse collection point or onto the vehicle.
- (2) Section 20O provides for the defences to an offence under subsection (1).
- (3) A person who commits an offence under subsection (1) is liable to a fine at level 2.

20M. Delivering non-compliant waste to certain persons prohibited

- (1) A person commits an offence if the person delivers, or causes or permits to be delivered, any non-compliant waste to—
 - (a) a Government-employed waste handler; or
 - (b) a person who—
 - (i) is not a Government-employed waste handler; and
 - (ii) is acting in the course of—
 - (A) providing removal services at a refuse collection point; or

- (B) providing removal services by a waste vehicle in Government service or a waste vehicle in private use (with compactor).
- (2) However, subsection (1) does not apply to an act done by—
 - (a) a Government-employed waste handler; or
 - (b) a person who—
 - (i) is not a Government-employed waste handler; and
 - (ii) is acting in the course of—
 - (A) providing removal services at a refuse collection point; or
 - (B) providing removal services by a waste vehicle in Government service or a waste vehicle in private use (with compactor).
- (3) Section 20O provides for the defences to, and section 20P provides for the penalty for, an offence under subsection (1).

20N. Depositing non-compliant waste in certain common areas prohibited

- (1) A person commits an offence if the person deposits, or causes to be deposited, non-compliant waste in a common area of any premises that is used for depositing waste pending removal from the premises for disposal (*common area for waste*).
- (2) For the purposes of subsection (1), if a person deposits, or causes to be deposited, non-compliant waste into a waste chute of any premises (including

any hopper to the chute), the person is regarded as depositing, or causing to be deposited, non-compliant waste in a common area for waste.

- (3) However, subsection (1) does not apply if—
- (a) the non-compliant waste is deposited, or caused to be deposited, in a common area into a litter container designed for depositing a small quantity of small-sized municipal solid waste only;
 - (b) there is in place an arrangement under which the non-compliant waste—
 - (i) is delivered to a scheduled facility by a waste vehicle in private use (without compactor); and
 - (ii) is subject to the charges specified in the Schedule to the Waste Disposal (Charge for Disposal of Municipal Solid Waste at Scheduled Facilities) Regulation (Cap. 354 sub. leg. M);
 - (c) the non-compliant waste is deposited, or caused to be deposited, by any person in providing services connected with the removal of municipal solid waste from the premises; or
 - (d) the non-compliant waste is—
 - (i) reasonably suitable for recycling; and
 - (ii) deposited, or caused to be deposited, into a container, or in an area, that is reasonably used for depositing materials for recycling.

- (4) Section 20O provides for the defences to, and section 20P provides for the penalty for, an offence under subsection (1).

20O. Defences to particular offences

- (1) It is a defence for a person charged with an offence under section 20K, 20L, 20M or 20N to establish that—
- (a) the person took all reasonable precautions and exercised all due diligence to avoid committing the offence;
 - (b) the person—
 - (i) did the act constituting the offence at the instruction of the person's employer or was not provided by the person's employer with the necessary means to comply with the section; and
 - (ii) took all steps reasonably open to the person to avoid committing the offence; or
 - (c) the person—
 - (i) deposited or delivered, or caused or permitted to be deposited or delivered, the waste in an emergency to avoid danger to the public; and
 - (ii) informed the collection authority in writing of the deposit or delivery as soon as reasonably practicable.
- (2) It is a defence for a person charged with an offence under section 20K, 20L, 20M or 20N to establish that the non-compliant waste is a bag that visibly contains only waste wrapped in designated bags.

- (3) It is a defence for a person charged with an offence under section 20K, 20L or 20M to establish that—
- (a) the person deposited or delivered, or caused or permitted to be deposited or delivered, the non-compliant waste in an honest and reasonable belief that it would not be disposed of at a scheduled facility, whether because it is reasonably suitable for recycling or otherwise; or
 - (b) the non-compliant waste was municipal solid waste that escaped from a designated bag that had been damaged or unfastened—
 - (i) during the compaction of the bag by a device designed for compacting waste; or
 - (ii) when the bag was deposited into a waste chute.
- (4) A matter that needs to be established for a defence under this section is taken to have been established if—
- (a) there is sufficient evidence to raise an issue with respect to that matter; and
 - (b) the contrary is not proved by the prosecution beyond reasonable doubt.

20P. Penalties for particular offences

A person who commits an offence under section 20K, 20M or 20N is liable—

- (a) on the first conviction—to a fine at level 4 and to imprisonment for 6 months;
- (b) on a subsequent conviction—to a fine at level 5 and to imprisonment for 6 months.

20Q. Exemption from section 20K, 20L or 20M granted on application

- (1) If satisfied that it is reasonable to do so, the Director may, on application by a person (*applicant*), exempt any person from section 20K(1), 20L(1) or 20M(1) in relation to any deposit or delivery of municipal solid waste that is collected—
 - (a) for or on behalf of the Government; or
 - (b) in the course of providing service for collecting material that is reasonably suitable for recycling.
- (2) An application under subsection (1) must be made in the form specified by the Director.
- (3) The Director must, by written notice, inform the applicant of—
 - (a) the Director's decision to grant, or refuse to grant, the exemption; and
 - (b) if the Director refuses to grant the exemption—the reason for the refusal.
- (4) An exemption granted under subsection (1) may be subject to any condition specified by the Director.
- (5) An exemption granted under subsection (1) is valid for a period specified by the Director and may be renewed by the Director.
- (6) The Director may revoke an exemption granted under subsection (1) if—
 - (a) in the application for the exemption, the applicant provided any information that was false or misleading in a material particular;
 - (b) any condition specified under subsection (4) for the exemption is contravened; or

- (c) the Director is satisfied that there is no longer any justification for the exemption.
- (7) If an exemption is revoked under subsection (6), the Director must, by written notice, inform the applicant of the revocation and the reason for it.

20R. Exemption from section 20K, 20L or 20M granted on Director's own initiative

- (1) Subject to subsection (2), the Director may, on the Director's own initiative, exempt any person or class of persons (*exempted person*) from section 20K(1), 20L(1) or 20M(1).
- (2) The Director must not grant an exemption under subsection (1) unless the Director is satisfied that—
 - (a) the exemption is necessary for public safety, environmental hygiene or environmental protection; or
 - (b) due to exceptional circumstances—
 - (i) it is impracticable for the person or the class of persons to comply with section 20K(1), 20L(1) or 20M(1); or
 - (ii) it is unreasonable to expect such compliance.
- (3) The Director must inform the exempted person of the Director's decision to grant the exemption—
 - (a) by written notice; or
 - (b) if a written notice is impracticable in the circumstances—in a way that the Director considers appropriate.
- (4) An exemption granted under subsection (1) may be subject to any condition specified by the Director.

- (5) An exemption granted under subsection (1) is valid for a period specified by the Director and may be renewed by the Director.
- (6) The Director may revoke an exemption granted under subsection (1) if—
 - (a) any condition specified under subsection (4) for the exemption is contravened; or
 - (b) the Director is satisfied that there is no longer any justification for the exemption.
- (7) If an exemption is revoked under subsection (6), the Director must inform the exempted person of the revocation and the reason for it—
 - (a) by written notice; or
 - (b) if a written notice is impracticable in the circumstances—in a way that the Director considers appropriate.

Division 3—Designated Bags and Designated Labels

20S. Who may produce, sell or supply for free

- (1) The Director may—
 - (a) produce designated bags or designated labels;
 - (b) sell designated bags or designated labels; and
 - (c) supply designated bags or designated labels for free.
- (2) The Director may, on the terms and conditions specified by the Director, authorize any person to—
 - (a) produce designated bags or designated labels;
 - (b) sell designated bags or designated labels; or

- (c) supply, in the course of a profit-seeking business, designated bags or designated labels for free.
- (3) The Director may revoke an authorization granted under subsection (2) if any term or condition specified for the authorization is contravened.

20T. Director may specify requirements

The Director may, by notice published in the Gazette, specify requirements for designated bags and designated labels, including their sizes, shapes, designs and materials.

20U. Sale by unauthorized person prohibited

- (1) A person who is not authorized under section 20S(2)(b) commits an offence if the person sells, offers to sell or exhibits for the purpose of sale any designated bag or designated label.
- (2) However, subsection (1) does not apply if the person—
 - (a) in the course of business, provides or arranges for the provision of a waste collection service; and
 - (b) sells, offers to sell or exhibits for the purpose of sale to a user of the service the designated bag or designated label at the price prescribed for the bag or label in Schedule 14.
- (3) A person who commits an offence under subsection (1) is liable—
 - (a) on the first conviction—to a fine at level 6;
 - (b) on a subsequent conviction—to a fine of \$200,000.

20V. Sale at other than prescribed price prohibited

- (1) A person who is authorized under section 20S(2)(b) commits an offence if the person sells, offers to sell or exhibits for the purpose of sale any designated bag or designated label at a price other than the price prescribed for the bag or label in Schedule 14.
- (2) A person who is authorized under section 20S(2)(b) commits an offence if the person offers to a customer any rebate or discount that—
 - (a) has the effect of directly or indirectly offsetting the price, or any part of the price, of a designated bag or designated label; and
 - (b) is not generally applicable to other goods offered for sale by the person.
- (3) To avoid doubt, if—
 - (a) a person purchases any designated bag or designated label from a seller;
 - (b) because of the purchase, the person receives a favour (whether or not transferable) that in effect reduces the price of an item (whether or not a designated bag or designated label) in a subsequent purchase from the seller; and
 - (c) the favour is offered under an arrangement that is generally applicable to the purchase of goods (whether or not a designated bag or designated label) from the seller,the favour is not a rebate or discount that falls within subsection (2).
- (4) A person who commits an offence under subsection (1) or (2) is liable—
 - (a) on the first conviction—to a fine at level 6;

- (b) on a subsequent conviction—to a fine of \$200,000.

20W. Certain free supply prohibited

- (1) A person commits an offence if the person supplies, in the course of a profit-seeking business, any designated bag or designated label for free.
- (2) However, subsection (1) does not apply if the person—
 - (a) is authorized under section 20S(2)(c); or
 - (b) provides or arranges for the provision of a waste collection service and supplies the designated bag or designated label for use in relation to the service.
- (3) A person who commits an offence under subsection (1) is liable—
 - (a) on the first conviction—to a fine at level 6;
 - (b) on a subsequent conviction—to a fine of \$200,000.

Division 4—Miscellaneous Provisions

20X. Prescribed signs

- (1) The Director of FEH may, by notice published in the Gazette, prescribe—
 - (a) the sign to be exhibited at refuse collection points and the way of exhibition;
 - (b) the sign to be exhibited on waste vehicles in Government service and the way of exhibition;and

- (c) the sign to be exhibited on specified bins and the way of exhibition.
- (2) The Director may, by notice published in the Gazette, prescribe the sign to be exhibited on waste vehicles in private use (with compactor) and the way of exhibition.

20Y. Waste vehicles must exhibit prescribed sign in certain circumstances

- (1) The driver of a waste vehicle in Government service must ensure the sign prescribed under section 20X(1)(b) is exhibited on the vehicle in the prescribed way.
- (2) The driver of a waste vehicle in private use (with compactor) must ensure the sign prescribed under section 20X(2) is exhibited on the vehicle in the prescribed way.
- (3) If, in contravention of subsection (1) or (2), a prescribed sign is not exhibited on a waste vehicle in Government service or a waste vehicle in private use (with compactor) in the prescribed way, each of the following persons commits an offence and is liable to a fine at level 4—
 - (a) the driver of the vehicle; and
 - (b) the driver's employer if—
 - (i) the driver did the act constituting the offence by the driver at the instruction of the employer; or
 - (ii) the employer failed to provide the necessary means for the driver to comply with that subsection.

- (4) It is a defence for a driver charged with an offence under subsection (3) to establish that—
 - (a) the driver did the act constituting the offence by the driver at the instruction of the driver's employer; or
 - (b) the driver's employer failed to provide the necessary means for the driver to comply with subsection (1) or (2), as may be appropriate.
- (5) A matter that needs to be established for a defence under subsection (4) is taken to have been established if—
 - (a) there is sufficient evidence to raise an issue with respect to that matter; and
 - (b) the contrary is not proved by the prosecution beyond reasonable doubt.

20Z. Vehicles must not exhibit prescribed sign in certain circumstances

- (1) The driver of a vehicle must not allow the exhibition of the sign prescribed under section 20X(1)(b) on the vehicle when the vehicle is not a waste vehicle in Government service.
- (2) The driver of a vehicle must not allow the exhibition of the sign prescribed under section 20X(2) on the vehicle when the vehicle is not a waste vehicle in private use (with compactor).
- (3) If, in contravention of subsection (1) or (2), a prescribed sign is exhibited on a vehicle, each of the following persons commits an offence and is liable to a fine at level 4—
 - (a) the driver of the vehicle; and

- (b) the driver's employer if the driver did the act constituting the offence by the driver at the instruction of the employer.
- (4) It is a defence for a driver charged with an offence under subsection (3) to establish that the driver did the act constituting the offence by the driver at the instruction of the driver's employer.
- (5) A matter that needs to be established for a defence under subsection (4) is taken to have been established if—
 - (a) there is sufficient evidence to raise an issue with respect to that matter; and
 - (b) the contrary is not proved by the prosecution beyond reasonable doubt.

20ZA. Designated bag not subject to Product Eco-responsibility Ordinance

To avoid doubt, a designated bag is not a plastic shopping bag to which the Product Eco-responsibility Ordinance (Cap. 603) applies.”.

5. Section 24 amended (when appeal may be brought)

After section 24(1)(bd)—

Add

- “(be) section 20S(2) and (3) (refusing to grant, or revoking, an authorization to produce, sell or supply for free designated bags or designated labels);”.

6. Section 31 amended (mental ingredients of certain offences under the Ordinance)

Section 31, after “20E”—

Add

“, 20K, 20L, 20M, 20N”.

7. Section 33 amended (regulations)

(1) After section 33(1)(j)—

Add

“(jaa) the imposition of charges for the disposal of any waste, which charges may be set at above cost recovery level;”.

(2) After section 33(6)—

Add

“(7) If a Schedule to any regulations made under this section specifies the charges to be imposed in respect of any waste accepted for disposal at a waste disposal facility prescribed by the regulations, the regulations may provide that the Secretary may, by notice published in the Gazette, amend the Schedule to revise the charges.

(8) The Secretary may, under subsection (7), set the charges at above cost recovery level.”.

8. Section 37 amended (amendment of Schedules)

After section 4—

Add

“4A. Exemption from section 4 granted on application

- (1) Subject to section 4C, the Director may, on application by a person (*applicant*), exempt any person from section 4(1) for a period that the Director considers appropriate.
- (2) An application under subsection (1) must be made in the form specified by the Director.
- (3) The Director must, by written notice, inform the applicant of—
 - (a) the Director’s decision to grant, or refuse to grant, the exemption; and
 - (b) if the Director refuses to grant the exemption—the reason for the refusal.
- (4) An exemption granted under subsection (1) may be subject to any condition specified by the Director.
- (5) The Director may revoke an exemption granted under subsection (1) if—
 - (a) in the application for the exemption, the applicant provided any information that was false or misleading in a material particular;
 - (b) any condition specified under subsection (4) for the exemption is contravened; or

- (c) the Director is satisfied that there is no longer any justification for the exemption.
- (6) If an exemption is revoked under subsection (5), the Director must, by written notice, inform the applicant of the revocation and the reason for it.

4B. Exemption from section 4 granted on Director's own initiative

- (1) Subject to section 4C, the Director may, on the Director's own initiative, exempt any person (*exempted person*) from section 4(1) for a period that the Director considers appropriate.
- (2) The Director must inform the exempted person of the Director's decision to grant the exemption—
 - (a) by written notice; or
 - (b) if a written notice is impracticable in the circumstances—in a way that the Director considers appropriate.
- (3) An exemption granted under subsection (1) may be subject to any condition specified by the Director.
- (4) The Director may revoke an exemption granted under subsection (1) if—
 - (a) any condition specified under subsection (3) for the exemption is contravened; or
 - (b) the Director is satisfied that there is no longer any justification for the exemption.
- (5) If an exemption is revoked under subsection (4), the Director must inform the exempted person of the revocation and the reason for it—
 - (a) by written notice; or

- (b) if a written notice is impracticable in the circumstances—in a way that the Director considers appropriate.

4C. Supplementary provisions for sections 4A and 4B

- (1) The Director must not grant an exemption under section 4A(1) or 4B(1) unless the Director is satisfied—
 - (a) that—
 - (i) the exemption is necessary for public safety, environmental hygiene or environmental protection; or
 - (ii) due to exceptional circumstances—
 - (A) it is impracticable for the person to comply with section 4(1); or
 - (B) it is unreasonable to expect such compliance; and
 - (b) that the vehicle from which the person disposes of municipal solid waste is suitable for disposing of municipal solid waste at one or more scheduled facilities.
- (2) For the purposes of subsection (1)(b), a vehicle is suitable for disposing of municipal solid waste at a scheduled facility if—
 - (a) the vehicle is in good working condition;
 - (b) the vehicle is constructed in a way that does not—
 - (i) endanger the safety of any person at the facility;

- (ii) create any nuisance, or any danger to health or the environment, arising from its activity in the facility; or
 - (iii) disrupt the operation of the facility or any collection, removal, transportation, transfer, reception or disposal (including treatment, reprocessing or recycling) of waste in the facility; and
- (c) if the vehicle is equipped with a device described in section 3B of the Waste Disposal (Designated Waste Disposal Facility) Regulation (Cap. 354 sub. leg. L)—it complies with the requirement in subsection (3) of that section.”.

The Regulation—

Add

“5A. Application for registration as Type A account-holder

- (1) Any person (other than a Type B account-holder) may make an application to the Director—
 - (a) to be registered as a Type A account-holder for the purpose of disposing of municipal solid waste at one or more scheduled facilities; and

- (b) to register in the person's name one or more vehicles (of which the person is the registered owner) to be used for disposing of municipal solid waste at one or more scheduled facilities.
- (2) The application must—
 - (a) be made in a way and form specified by the Director; and
 - (b) contain the particulars, information and materials the Director reasonably requires for the determination of the application.
- (3) Under subsection (2)(b), the Director may, for example, require the applicant to specify—
 - (a) the scheduled facility or facilities at which municipal solid waste is intended to be disposed of;
 - (b) the estimated amount of municipal solid waste that is intended to be disposed of monthly at the scheduled facility or facilities;
 - (c) the nature of the municipal solid waste; and
 - (d) the registration mark or marks of the vehicle or vehicles that is or are to be used for disposing of municipal solid waste at the scheduled facility or facilities.
- (4) In considering the application, the Director may, by written notice to the applicant, require the applicant to provide further particulars, information and materials the Director reasonably requires for the determination of the application as specified in the notice within the time specified in the notice.

5B. Application for registration as Type B account-holder

- (1) Any person (other than a Type A account-holder) may make an application to the Director to be registered as a Type B account-holder for the purpose of disposing of municipal solid waste at one or more scheduled facilities.
- (2) The application must—
 - (a) be made in a way and form specified by the Director; and
 - (b) contain the particulars, information and materials the Director reasonably requires for the determination of the application.
- (3) Under subsection (2)(b), the Director may, for example, require the applicant to specify—
 - (a) the scheduled facility or facilities at which municipal solid waste is intended to be disposed of;
 - (b) the estimated amount of municipal solid waste that is intended to be disposed of monthly at the scheduled facility or facilities; and
 - (c) the nature of the municipal solid waste.
- (4) In considering the application, the Director may, by written notice to the applicant, require the applicant to provide further particulars, information and materials the Director reasonably requires for the determination of the application as specified in the notice within the time specified in the notice.”.

Section 6—

Repeal the section.

19. Sections 6A and 6B added

The Regulation—

Add

“6A. Director may register Type A account-holders and vehicles

- (1) If the Director is satisfied that the applicant making an application under section 5A is a fit and proper person to be registered as a Type A account-holder and that the vehicle or vehicles specified in the application is or are suitable for disposing of municipal solid waste at one or more scheduled facilities, the Director may—
 - (a) register the applicant as a Type A account-holder; and
 - (b) register the vehicle or vehicles in the applicant's name as a permitted vehicle or permitted vehicles for the facility or facilities.
- (2) For the purposes of subsection (1), a vehicle is suitable for disposing of municipal solid waste at a scheduled facility if—
 - (a) it is in good working condition;
 - (b) it is constructed in a way that does not—
 - (i) endanger the safety of any person at the facility;
 - (ii) create any nuisance, or any danger to health or the environment, arising from its activity in the facility; or

- (iii) disrupt the operation of the facility or any collection, removal, transportation, transfer, reception or disposal (including treatment, reprocessing or recycling) of waste in the facility; and
 - (c) if the vehicle is equipped with a device described in section 3B of the Waste Disposal (Designated Waste Disposal Facility) Regulation (Cap. 354 sub. leg. L)—it complies with the requirement in subsection (3) of that section.
- (3) The Director may impose the terms and conditions for registration as the Director considers appropriate, including terms and conditions—
 - (a) requiring the applicant to pay to the Director a deposit as security for payment of charges and surcharges under this Regulation; and
 - (b) limiting the registration of the applicant, or of a vehicle in the applicant's name, to a particular scheduled facility.
- (4) The Director—
 - (a) must specify the terms and conditions imposed under subsection (3) in the notice under subsection (6); and
 - (b) may, from time to time, by written notice to the account-holder, impose, vary or revoke any term or condition.
- (5) The Director may refuse to register a person as a Type A account-holder if—
 - (a) the person fails to provide the particulars, information or materials under section 5A(2)(b) or (4);

- (b) the person provides any false particulars, information or materials;
 - (c) the person has incurred any charge or surcharge under this Regulation and, as at the date of the person's application under section 5A, has not paid it;
 - (d) the person is a Type B account-holder; or
 - (e) because of the operation of subsection (2), no vehicle can be registered in the person's name as a permitted vehicle.
- (6) The Director must, by written notice to the applicant—
- (a) inform the applicant of the Director's decision to register, or refuse to register, the applicant as a Type A account-holder;
 - (b) if the Director decides to register the applicant—specify the amount of the deposit mentioned in subsection (3)(a) and the deadline for its payment; and
 - (c) if the Director decides to refuse to register the applicant—give the reason for the refusal.
- (7) If—
- (a) a Type A account-holder anticipates that the amount of municipal solid waste that the account-holder will dispose of monthly at the scheduled facility or facilities will change substantially;
 - (b) a Type A account-holder anticipates that the nature of the municipal solid waste that the account-holder will dispose of at the scheduled facility or facilities will change; or

- (c) there is any change in the particulars, information or materials provided by a Type A account-holder under section 5A(2)(b) or (4), the account-holder must, as soon as reasonably practicable, notify the Director of the change or anticipated change and give details of the change or anticipated change that are reasonably required by the Director for assessing the adequacy of the deposit mentioned in subsection (3)(a).

6B. Director may register Type B account-holders

- (1) If the Director is satisfied that the applicant making an application under section 5B is a fit and proper person to be registered as a Type B account-holder, the Director may register the applicant as a Type B account-holder.
- (2) The Director may impose the terms and conditions for registration as the Director considers appropriate, including terms and conditions—
 - (a) requiring the applicant to pay to the Director a deposit as security for payment of charges and surcharges under this Regulation; and
 - (b) limiting the registration of the applicant to a particular scheduled facility.
- (3) The Director—
 - (a) must specify the terms and conditions imposed under subsection (2) in the notice under subsection (5); and
 - (b) may, from time to time, by written notice to the account-holder, impose, vary or revoke any term or condition.

- (4) The Director may refuse to register a person as a Type B account-holder if the person—
 - (a) fails to provide the particulars, information or materials under section 5B(2)(b) or (4);
 - (b) provides any false particulars, information or materials;
 - (c) has incurred any charge or surcharge under this Regulation and, as at the date of the person's application under section 5B, has not paid it; or
 - (d) is a Type A account-holder.
- (5) The Director must, by written notice to the applicant—
 - (a) inform the applicant of the Director's decision to register, or refuse to register, the applicant as a Type B account-holder;
 - (b) if the Director decides to register the applicant—specify the amount of the deposit mentioned in subsection (2)(a) and the deadline for its payment; and
 - (c) if the Director decides to refuse to register the applicant—give the reason for the refusal.
- (6) If—
 - (a) a Type B account-holder anticipates that the amount of municipal solid waste that the account-holder will dispose of monthly at the scheduled facility or facilities will change substantially;

- (b) a Type B account-holder anticipates that the nature of the municipal solid waste that the account-holder will dispose of at the scheduled facility or facilities will change; or
- (c) there is any change in the particulars, information or materials provided by a Type B account-holder under section 5B(2)(b) or (4),
the account-holder must, as soon as reasonably practicable, notify the Director of the change or anticipated change and give details of the change or anticipated change that are reasonably required by the Director for assessing the adequacy of the deposit mentioned in subsection (2)(a).”.
