

Panel on Environmental Affairs

Follow-up actions arising from the meeting on 23 November 2020

Agenda item V — Management of restored landfills

The Administration was requested to:

- (a) provide the following information in the paper to be submitted to the Public Works Subcommittee in respect of the E-Co Village project (i.e. a camp site-cum-green education ground proposed to be developed by the Tung Wah Group of Hospitals): (i) project design details, including the design capacities of facilities therein, (ii) target number of visitors to the E-Co Village, and (iii) how to ensure financial sustainability of the project; and
- (b) provide to this Panel information on the Administration's plan to set up more campsites and build more infrastructures in country parks to enhance public enjoyment of country parks.
