

Panel on Environmental Affairs

LC Paper No. CB(1)810/20-21(01)

List of follow-up actions
(position as at 19 April 2021)

Subject	Date of meeting	Follow-up action required	Administration's response
1. Management of restored landfills	23.11.2020	The Administration to provide the following information in the paper to be submitted to the Public Works Subcommittee in respect of the E-Co Village project (i.e. a camp site-cum-green education ground proposed to be developed by the Tung Wah Group of Hospitals): (a) project design details, including the design capacities of facilities therein, (b) target number of visitors to the E-Co Village, and (c) how to ensure financial sustainability of the project.	The Administration to provide the information to the Public Works Subcommittee.
2. Improvement and extension works of waste management facilities	22.2.2021	The Administration to provide the following information to the Panel before the Public Works Subcommittee considers the relevant financial proposal: (a) details of the mechanism for reviewing and updating the Administration's strategies and targets in respect of waste management roughly every five years, with a view to ensuring that the long-term targets set out in the Waste Blueprint for Hong Kong 2035 would be achieved within the expected time frame; (b) key performance indicators (if any) of the operation of major waste-to-resources/energy facilities and quantifiable assessment of the effectiveness of these facilities in reducing waste disposal at landfills; and (c) report of the consultancy study for preparation of the West New Territories Landfill Extension project.	The Administration's written response was circulated on 19 March 2021 vide LC Paper No. CB(1)702/20-21(02).

Subject	Date of meeting	Follow-up action required	Administration's response
3. North District, Lamma Island and Lantau sewerage, and the construction and rehabilitation of sewage rising mains in Yuen Long, Tai Po Kau and Yau Tong	22.3.2021	The Administration to provide the following information in the paper to be submitted to the Public Works Subcommittee in respect of 4409DS – North East New Territories sewerage system upgrade: the timetable for providing branch sewers to connect 15 unsewered villages in Ta Kwu Ling to the public sewerage system.	The Administration to provide the information to the Public Works Subcommittee.
