

Panel on Food Safety and Environmental Hygiene

List of outstanding items for discussion (position as at 8 September 2021)

Subject	Proposed timing for discussion
1. Briefing by the Secretary for Food and Health on the Chief Executive's 2021 Policy Address	12 October 2021
<p>The Administration will brief members on the policy initiatives in relation to environmental hygiene, food safety, agriculture, fisheries and veterinary health as set out in the 2021 Policy Address.</p>	
2. Promoting the sustainable development of mariculture	To be confirmed
<p>Item proposed by the Administration.</p> <p>The Administration plans to brief members on the work of the Agriculture, Fisheries and Conservation Department to promote sustainable development of mariculture (including measures facilitating Hong Kong fishermen to develop deep-water mariculture in the Greater Bay Area).</p>	
3. Wholesale market consultancy study	To be confirmed
<p>At the meeting on 10 June 2014, members noted that the Administration had commissioned a consultancy study on the present-day functions and purpose of the wholesale business in the sale of fresh food produce, and to analyse the geographical spread of the five existing wholesale markets from the perspectives of land use and food safety.</p> <p>At the meeting on 11 October 2018, members considered it necessary for the Administration to brief members on the outcome of the consultancy study (including the timetable, proposed sites and detailed plan for relocating Cheung Sha Wan Temporary Poultry Market and Yau Ma Tei Wholesale Fruit Market).</p>	

Subject

**Proposed timing
for discussion**

At the meeting between the Chairman, the Deputy Chairman and the Secretary for Food and Health to discuss the work plan of the Panel ("work plan meeting") for the 2020-2021 session held on 23 November 2020, the Administration undertook to, upon the Chairman's request, review whether it could report to the Panel on this study in the 2020-2021 session.

According to the Administration, the Development Bureau is responsible for the wholesale market consultancy study. The Bureau expects that the study will be completed by 2021. The Government will report to the Panel (or the Panel on Development) on the progress in due course. It is expected that the subject will be put to discussion in the next session.

4. Regulating and monitoring the activities of oyster culture in Hong Kong

To be confirmed

At previous meetings of the Panel, concern was expressed about the over-expansion of oyster culture in Shenzhen Bay and the need of introducing in Hong Kong a licensing mechanism for regulating the activities of oyster culture. There was a suggestion that the issue of regulating and monitoring the activities of oyster culture in Hong Kong should be discussed by the Panel.

5. Issues relating to the relocation of Yen Chow Street Temporary Hawker Bazaar to Tung Chau Street Market

To be confirmed

At the meeting on 12 October 2017, Hon SHIU Ka-chun suggested that the Panel should follow up and discuss issues relating to the relocation of Yen Chow Street Temporary Hawker Bazaar to Tung Chau Street Market, including how the Administration would address the needs and concerns of street sleepers in the vicinity of Tung Chau Street Market arising from the

Subject	Proposed timing for discussion
<p>Administration's plan to improve the surroundings of Tung Chau Street Market.</p> <p>At the work plan meeting for the 2020-2021 session on 23 November 2020, the Chairman requested the Administration to find out with relevant bureaux/departments the latest development of the relocation plan and report to members on the subject matter or provide an information paper on the work progress in due course.</p>	
<p>6. Progress and findings of the Second Total Diet Study</p> <p>During the discussion on the findings of the Second Hong Kong Population-based Food Consumption Survey at the meeting on 13 July 2021, the Administration advised that the Centre for Food Safety ("CFS") would plan ahead and conduct the Second Total Diet Study ("TDS"), with a view to updating and understanding the exposure to individual harmful substances through dietary intake among various population groups in Hong Kong, thereby assessing any associated health risks.</p> <p>Upon the Chairman's request, the Administration undertook to brief members on the progress and findings of the Second TDS in due course.</p>	<p>To be confirmed</p>
<p>7. Ancillary facilities for storage and distribution of chilled meat and poultry</p> <p>At the meeting on 15 October 2015, concern was raised about the lack of ancillary facilities for wholesaling of chilled meat and poultry. Noting that the trade had made repeated requests to the Government for the setting up of an approved distribution and storage centre for chilled meat and poultry with a view to reducing food safety risks, members requested that the subject matter be discussed at a future meeting.</p>	<p>-</p>

Subject	Proposed timing for discussion
<p>At the work plan meeting for the 2020-2021 session on 23 November 2020, the Administration undertook to, upon the Chairman's request, provide an information paper to report on the latest progress of the subject matter within the 2020-2021 session.</p>	
8. Regulatory control of genetically modified food	-
<p>At the meeting on 12 March 2013, the Panel was briefed on the Administration's proposal on regulating genetically modified ("GM") food by introducing a mandatory pre-market safety assessment scheme ("PMSAS") in Hong Kong. At the meeting on 11 July 2017, the Administration advised that it would launch a public consultation on PMSAS in due course, taking into account the international development on regulation of GM food.</p> <p>At the work plan meeting for the 2019-2020 session on 4 November 2019, the Administration was requested to step up efforts to encourage the trade to voluntarily adopt GM food labelling and to review the trade's receptiveness to those recommendations set out in the "Guidelines on Voluntary Labelling of Genetically Modified Food" issued by CFS in 2006.</p> <p>At the work plan meeting for the 2020-2021 session on 23 November 2020, the Administration undertook to, upon the Chairman's request, provide an information paper to report on the latest progress of the subject matter within the 2020-2021 session.</p>	
9. Enforcement standards of the Food and Environmental Hygiene Department against irregularities of food premises	-
<p>In his letter dated 22 October 2020 (LC Paper No. CB(2)77/20-21(01)), Dr KWOK Ka-ki* suggested that the Panel should discuss the subject matter at a future meeting.</p>
