

**Subcommittee on Issues Relating to Transitional Housing and
Subdivided Units**

Follow-up actions arising from the meeting on 13 July 2021

Regarding the 29 completed transitional housing projects operated by non-government organizations providing 1 305 units for over 1 500 families, the Administration was requested to provide information on the overall rent level of the projects as a percentage of the average household income of the families concerned, in order to ascertain whether such rent level was affordable by the tenants concerned, and complied with the policy intention of not exceeding 25% of the tenants' household income or the maximum level of rent allowance under the Comprehensive Social Security Assistance Scheme.
