Items	Proposed timing for discussion
19. Setting up a pedestrian street in Central	To be confirmed
<p>Proposed by Mr Charles Peter MOK at the meeting on 28 October 2016. The Administration was requested to brief the Panel on its policy on giving priority to pedestrians in certain public space.</p>	
<p>Some community organizations filed an application in 2015 under the Town Planning Ordinance requesting to rezone Des Voeux Road Central ("DVRC") as a pedestrian and tram precinct. Relevant departments provided views to the Town Planning Board under their respective purviews, including raising concerns about disruption to emergency and rescue operation, bus route diversion, knock-on environmental impacts on other roads, etc. The organizations subsequently withdrew the rezoning request in 2016. A separate proposal was received by the Central and Western District Council ("CWDC") in late 2018 from a community organization to hold an event for three months by converting a section of DVRC into a pedestrian and tram precinct. CWDC expressed initial reservation and the proposer has subsequently made a number of amendments to the proposal at different times. The government departments have provided feedback on the revised proposal.</p> <p>The Administration welcomes proposals from all sectors to improve the walking environment. When considering various proposals, the Administration will take into account the demands of the local community and businesses, local characteristics, street management and impact on traffic.</p>
