

Panel on Welfare Services

Subcommittee on Issues Relating to the Silver Age Card

**List of follow-up actions required of the Administration
arising from the discussion at the meeting on 31 May 2021**

The Administration was requested to provide information on:

- (a) the percentage of persons aged 60 to 64 having used the Internet and electronic services;
- (b) the expenditure incurred and the number of service units completing the setup of Wi-Fi services under the four-year pilot project to provide free Wi-Fi services at service units operated by subvented/subsidized organizations under the Social Welfare Department;
- (c) the number of residential care homes for the elderly using video chat applications (e.g. Zoom) for residents to communicate with their family members during the coronavirus disease 2019 epidemic;
- (d) the details on the measures to facilitate the adoption of applied technology for older persons to integrate into the community and age in place, including the targets, performance indicators, implementation progress, expenditure estimate and room for improvement of each measure; and
- (e) the percentage of elderly persons with mild or moderate dementia and their carers benefiting from the Dementia Community Support Scheme.
